

MESSAGE: Shaking of Australia

(Council of the Lord on 3-10-2016)

Question: Lord, what sort of shaking is coming to this nation so that we know and can prepare?

Message

Shakings come in various sizes and shapes, they have various purposes. This is a good question that you ask because I want my people to be prepared for what's ahead, but I don't want them to be afraid and scared and live in fear. The future is dark, but there is light. There is always light, there is always hope.

This is a time of trouble in the spirit realm and in the natural for this nation, but it is a time in which I am always in control, and I am shaking. I am shaking all the nations as a parent shakes a child to grab their attention. Hear me, Australia, I have been shaking you for some time to grab your attention – droughts, floods, stock exchange crashes, all sorts of things have been going on. I have been tugging at your coat-tails, as it were, to get you to turn around and face me so I can speak to you and you can speak to me as individuals and as a nation. And I have done this to wake you up because I do want to interface with you. As a loving Father, I want to speak to my people, to my nations, as I want them to align with me.

The shakings have been gentle so far because out of my love I have been gentle. And I know you have seen them as disasters and things that were too hard to bear, but believe me, what is coming and what can come is far greater than that. 'Steel' yourself. I have said that before, 'steel' yourselves. Strengthen yourselves for what's coming.

I keep these close to my chest. I don't reveal much of what my plans are and what I plan to do to all and sundry because I want individuals to speak to me. But I say this, unless this nation returns to me, the shaking will crescendo, it will increase in magnitude and length. Be prepared for earthquakes in this nation, free of such disasters. Earthquakes are on the horizon. This is not a threat. This is part and parcel of my dealing with all the nations. My purpose is to raise my sons to be the light, to prepare for my Son's return. And I need this nation to take its place among the nations, to be a light, and much shaking is required to grab your attention, Australia. Unfortunately that is the case.

So my message to you is: "Listen to me, turn to me, seek me, align yourself with me, and things will pan out the way I want them to". And, that is the best for this nation, the best that there ever could be.

There will be a shaking in the lives of people. This time that is coming will be like no other. It will be such a shaking. People will build altars to Baal and others will rent their hearts, will tear away all that is unclean, all the darkness off their hearts, to seek me, to seek the Kingdom. This will be a time of great armies, spiritual armies against each other. This will be a time like no other. There will be such a battle in the spiritual in this land. A battle, to pull down what has been established in this land and make it like all the other wasted lands of this world. It will be a battle to try and make this land as though they are that have forsaken my name.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
