

MESSAGE: The ACT Elections 5-9-2016

Question: Lord, the ACT elections are coming up in October. How would you like your people to approach this voting activity that we're all involved in?

Message

Vote for me, vote with me.

Sounds conflicting. But a "vote for me"? By that I mean: put your faith and your trust in me. Make me the centre of your life. Make me the wheel in the middle of the wheel of everything that your life involves. "Vote with me": by that I mean vote as I show you.

I mentioned this to you in the national election as well, and many just didn't listen. So I say it again, if you want to know how to vote, ask me. I know all things and I am the source of truth and of righteous knowledge. I should be your 'first port of call'. So counsel me and ask me how you should vote and I will show you, because it's important that my plans, which are Father's plans, are brought into being in this state. Don't try and second-guess what I'm doing. Don't stand in my place and say that you know what I'm doing by the way you vote and by your attitudes, because you've got no idea.

So, as you approach the October elections, ask me individually – I don't have a blanket statement this time – ask me individually and I will tell you how you should vote, and be prepared to follow what I say. My words are wisdom but not always obviously logical because I am approaching things from a different perspective. But you will get your truth and you will get your correct voting instructions from me.

Enjoy the vote. It's your right in a democracy, so use it and use it well, because the government that comes in and what the government does is all up to each individual. So vote wisely, vote for me by giving me your undivided attention, and vote with me by voting as I show you.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
