

MESSAGE: The Ministry of Confrontation

(Council of the Lord on 12-2-2017)

Question: Lord, Terry Bennett talks about the ministry of confrontation¹, that you are confronting the church, drawing her into alignment with you. What is it that you would like the church in Australia to know about this season that we are in, where you are confronting your people?

Message

You have heard it said that prophecy is for edification, and yet my church has turned edification into 'feel good'. Edification is about maturity, it is about growing up in the things of the Spirit. That includes discipline, that includes correction, that includes encouragement and guidance and overruling judgement. Edification is not about sugar-coated messages, it is not about lolly water to keep you happy.

And so I am raising up my people who will speak for me, to challenge the norms, to challenge the beliefs, because it is my desire for my people, my church, to align with me. Am I not the one of truth? Do I not place in you the Spirit of Truth? Then how is it that you deviate from truth and believe what you want? How is it that when you are corrected and brought into line by my Spirit, you stand against it, you push it away?

I am in a season of confrontation, and the church in Australia needs to be confronted, because I would have my people aligned with me. Their thoughts should be my thoughts, their actions should be my actions. My beliefs, my knowledge, my wisdom should flow through them, but it doesn't. This time of confrontation is to bring maturity to my church in Australia, but it is only those who have ears to hear, who will hear what I have to say.

And so my confrontation will continue, because like a rebellious child who needs constant reprogramming and redirection, I need to continually speak through those who have the pure voice that comes from me, to bring the correction, the guidance and the messages that will bring maturity to my people here in Australia. Do not have disdain for the message – the message of confrontation. Allow the prophets and the apostles to speak for me. They have been given the mantle and the gifting and the anointing to do that. Recognise these in them. Genuine prophets, genuine apostles speak for me. Align with them and that will bring you into alignment with me.

This season of confrontation will continue. I cannot allow my children to grow into rebels, grow into anything other than what I desire them to be, and confrontation is required for this. And, it is out of my love that I do this. As a parent loves the child and disciplines it so that it doesn't ruin its life, so I am jealous for my Bride, my wonderful beloved Bride who I am returning soon for. I want my beautiful Bride to grow so that we are compatible, then we can move into oneness together for eternity.

Be bold, my children, and look for correction, look for moulding and shaping. Ask me and I will do that for you. We will confront, but we will love and we will enjoy the life that is in the Kingdom. So this season is important in the growth of my children and my church here in Australia. Align yourself with me, let my mind be in you, let my heart be in you. Let us be one, united. This is my call for you, Australia.

IMPORTANT: There is mercy connected to this message, however, it is the church's responsibility to respond appropriately to the King's message, then mercy is released.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
