

MESSAGE: The Trump Factor

(Council of the Lord on 12-2-2017)

Question: Lord, what will be the impact of the Trump factor in Australia that you would like us to know?

Message 1

Donald Trump is going to make changes that will impact every nation on the earth. These are not changes to be afraid of, these are changes of benefit to all the nations. I have raised him up and I have planted him, and I am imbuing him with the ability to lead. He has been in business and he knows how to control, how to manipulate, how to direct, but I am teaching him how to lead the way I would want leadership to lead.

It is true that he has foibles, he has weaknesses in his character, but I will still use him to make changes, changes that will cause things to rise to the surface so they can be dealt with. These changes will reverberate around the Earth and impact all the nations, including Australia. Australia will have to respond. Australia will have to align themselves or unalign themselves with whatever he does. So, this will actually manifest within the Government and the controlling elite and politicians where they stand. They will not be able to hide behind their masks any more, behind their statuses and behind their doors, their closed doors. They will actually have to come out and make statements.

This will 'set the cat amongst the pigeons', and it will cause great stirring and ructions in the nations, including Australia, but they will be temporary, they will not last. Those on the Left will want to make things span out and last, to bring down those who stand in opposition to them, but I will not allow it.

True, the nations have free will and each individual has free will, but this is a momentous time in the history of the Earth. As momentous as Napoleon Bonaparte, as momentous as Hitler in impacting vast nations at one time. Stand and watch. See what I do. Always look for me in the background, advising and directing what he says and what he does. And bear in mind, not everything he says or does is from me. He does not align perfectly with me, but I am working through him and with him. Stand and watch, Australia.

Political leaders in Australia, take note of what you see and flow with me. Learn to discern what is righteous coming from the US. Discern what is going against common understanding but which produces good fruit.

Leaders in Australia, be bold. Take courage from Donald Trump and his courage to step out and take on the reins of a whole nation. Be bold, be entrepreneurial, dare to do things. The nations have been dumbed down for such a long time, under the control of those who would bring nations to heel. It's time to break out and break forth, to prosper and to do.

Watch, step out, Australia.

Message 2

You have asked me a question, but I have a question for you. What do you want for Australia? What did you see when Donald Trump won the Presidency? Did you see that I have chosen him to be my man for this season? I can see that even the American election with Donald Trump being the President has also divided your country, has divided my Body. Many of you don't believe it. Many of you don't think that he is a suitable person, that he is the person. What I want you to do is humble yourselves, then I will show you everything that you need to know for this season.

The world is seeking truth and they haven't heard much and they haven't seen much. Truth has been compromised. There is so much tolerance and no one knows what truth is any more. If you want my truth to exalt this nation, I want you to humble yourselves and pray and let me show you what I am doing in this season. For if you humble yourselves, there is hope for your nation. I can do the same thing. I will let my righteousness exalt in this nation. I will let my truth reign. I need people with courage, with

determination, to speak my truth.

It is time that you allow me to rule and reign in your nation. My mercy is upon you, and you know my word. I say “Mercy triumphs over judgement”. Take heed, because if you don’t, you will not like what’s coming.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
