

MESSAGE: Warfare Dream

(Council of the Lord on 3-10-2016)

Question: Lord, some time ago, 'J'¹ had a dream where there was a war going on in Australia. The Holy Spirit was present and it was significant for our nation. What is it that you would like us to know about what this dream meant?

Message

This dream is of things that will happen if people are not aware, if they are not watching, if they are not seeking me. But if people do seek me, if people stand in the gap, if people come into my counsel, then I will avert it and you will be shown the bridge over these deep waters. You will be shown the stepping stones that are just beneath the watery surface so that these things are averted and they pass by harmlessly.

For there is, of course, the two kingdoms that contend for this nation. But you are the soldiers. You are the army that I raise up for these days, to lead this nation forward, to put others into place so that my plans and purposes will prevail, and not that of people's or the enemy's.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
