

MESSAGE: 2016 Election Policies For Canberra 6-6-2016

(Transcribed from a smart phone recording at the CCOP meeting on 6th June 2016)

Question

Lord, what election policies do you want for Canberra?

Message

“Discernment is necessary here for the choice of policies for Canberra, because we're not playing games. This is serious.

My ways and my means are above those of man and you need to counsel me to work out what my ways and means are, and it is right that you should ask. Have no fear, I will release to you what needs to be released. It is my heart for you to know what my plans are and what my desires are. So seek my face, ask of me and I'll reveal those things to you that you need to know.

It is not up to you to know the plans and the processes that I have for Canberra. It is for those who are policy makers and for those who write the law, and those who are preparing for government. So I leave this with you as a message for them. **Their responsibility is to seek me, to seek my face. To ask of me and I will release to them what they need to know. But they need to be of a pure heart and a pure mind to receive from me.** Pass this message on to them. It is vital that they hear it, 'cause I'm here and I'm waiting. And I want to release to them the things that are needed for Canberra, 'cause Canberra is in shambles. It is not aligned with me at all. And I need it to be aligned because this is my diadem, this is my jewel, the city I have chosen to work through.

Pass it on. It is their responsibility. Make sure that they receive this.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
