

## **MESSAGE: To the Body of Christ 1-8-2016**

**Question:** Lord, what is the message you have for the Body of Christ in this season?

### **Message 1**

Yes this is a season, and I do work in seasons, and I work in cycles. This is something the church has to get used to. It's not about going backwards, it's going forwards, and I'm doing a new thing all of the time.

It's important that the church aligns with me in what I am doing. And it's essential for the prophetic to have an important place within the Body so that they can hear and find out what's going on. Because, from my throne I see everything. From my throne I command, and I decree, and I move things around, and I set things in motion just like a jigsaw puzzle or a mosaic. And it's absolutely critical that the church aligns with me in what I am doing, day-to-day, moment-by-moment, so that I am not held up, and so that the plans of Father can be implemented in the appropriate times, the times that are expedient for other items to be in place at the same time.

This is an important time, an important season, and it's right that you ask.

Get the message out. Advise the church and have them listen: “Align with me in all things. Align with my heart. Align with my will, and align with the times and the seasons that I have established for this planet, for humanity and for the church”.

It is no use just doing what the church has always done. It's no use the church just doing what they think is good. Religion is the motivation of trying to please me by doing things that man thinks I would approve of. That has no place in the Kingdom. It's my will that must be done: as in the prayer I taught my disciples. Father's will which has been given to me to execute must be done, and that can only be done when my people, especially, are aligned with me.

So, my message, as it has been for quite some time now, is “compliance”. I cannot get about Father's business and see things fall into place until the people who I want to work through – my chosen ones – are aligned with me so that we can work together. There's just so much working against me and so much work in all sorts of 'weird & wonderful' directions, that things just don't move forward as they should.

So I reiterate, “Align with me. This is the season of alignment so that things can move forward to my return.”

Please, it's very simple. Get the message out. Compliance with my will and alignment with me – that is my message for this season.

### **Message 2**

I have begun a deeper work in your heart. Do you not know it. I want you to go deeper.

I have begun the work of shaking everything that can be shaken. You have seen the signs of the time. What have you done about it? It's the call to be more intimate with me, and not many have responded. You have been affected by what you hear and what you see. But this is the call to go deeper, and the only way you can go deeper with me is by being more intimate with me.

There's a river that's flowing from the Throne of Grace, from my temple, and this river is gushing at the moment and I've called you to come into the river. The wind of the Spirit has also begun to blow, to blow all of the dust and debris off your life. I want you to be the trees of righteousness, planted by the side of

the river, that you shall bear fruit and your leaves shall not wither, and your leaves are for healing.

The world needs to know me but unless you go deeper, you might miss what I am doing. In this season I have put out the call for intimacy. A call to know me more, a call to pray, a call to praise and worship me with your life, with your heart. It sounds like I'm not asking you very much, but it will take the whole of you, everything that is about you, to go deeper.

My Spirit is moving. If you come in, there will be many 'suddenlies' in your life. I will transform your life in a way that you would not be able to achieve in your whole lifetime. This is a season of acceleration. I want you to come in so I can speed up the process. Come. Come to me. By faith, come to me and we'll work together.

You are my friends, you are no longer servants. I have called you to be my friends. We'll work together.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
