(Transcribed from a smart phone recording at the CCOP meeting on 6th June 2016)

Question

Lord, what is it you want us to know about the rain event we've just had?

Messages

(1) “For some, my rain is that of gracious blessing and fulfilling need. But for others, it is more than that. It is powerful; it is destructive. It has bigger effect, because I want to wake people up. It is not necessarily what you would forecast it to be or the way. But, it is what I as God, as Creator, would do and leave behind, to do more than just water the land and the crops. But also, to be a reminder of my greatness and that things are unpredictable, and I'm still in charge. And what will be a blessing to some, will be a shaking and a moving of things for others. It comes both ways, together.

And my ways are not the same throughout. It is not 'one size fits all'. It is many-faceted, that will say different things in the same things.”

(2) “I opened the heavens and released the rains as you asked, on all and sundry. It was widespread and it was beneficial, but it was also destructive in areas along the coast. This is my message, harken to it, listen to my voice.

The times are coming, they are dark, and you must prepare for them. I am shaking this nation and I'm shaking the cities to wake the people up. They need to be on their guard, to be able to stand, and stand firm, on the things that are coming upon the face of the Earth. And the only way I can do that, because they will not listen to my prophets because their ears are blocked, the only way I can do that is to shake them and wake them up as an adult would to a child.

And so I say to you nation, “Hear me. Hear me well. The shaking that I am bringing is for your benefit, as the punishment of a child is for them to grow and develop and become mature and rise up to their place as an adult.” I am wanting to do this for this nation, this precious nation of mine, this leader nation, this prince nation. I desire for you to rise up and the 'fires' of discipline that I am taking you through is to strengthen you, is to mould you and shape you so that when things come against you, when things are not calm and peaceful as you desire, you will have the tenacity and the wherewithal to grit your teeth and stand against it. It's also a wake-up call that your desire to have everything working perfectly and peacefully and at rest is not in your control – it is a pipe dream. The reality is that evil is on the march and I must prepare you for that. And in a loving way I have brought shakings in the forms of disasters, in the forms of economic crashes, for people – you my people – to open your eyes and ears and say, “Hey. Something's not right. We'd better find out what we need to do”.

Pay attention. I wish nothing but blessing upon this nation, but this nation is cushy, slack, at rest, at ease. You're a sitting target, a sitting duck for evil, because you are not prepared. You are not guarding yourself in not guarding your borders. You're not standing against the things that come against your nation that are unrighteous. I do want to bless, but discipline and wakening must occur when a nation is out of alignment.

And remember, I am evaluating at the moment, and your response to these situations and circumstances determine your path in the future. I have advised you of this already. Take note, take heed.

I will continue to bless this nation, financially, with the minerals, with productivity, and with rain. See

to it that you rejoice in that and are thankful. Do not abuse what I give you. Do not abuse what I have placed in your hand to steward. Give me the honour that is due to me, and favour will flow in abundance.

So I am thankful to those who are thankful to me for the rain that has come, and I rejoice with those who rejoice. But, consider my words. Steel yourself. Strengthen yourself. Straighten up. Strengthen your backbone and stand firm.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
