

# MESSAGES: Australia 19-10-2015

(Received at the CCOP meeting on 19<sup>th</sup> October 2015.)

## What is your message for our nation [Australia]?

“Pause. You just pressed the pause button. That’s what’s been happening to Australia. The pause button has been pressed. Australia has been in standby mode. I have not yet released all that I have for Australia. Australia must rise up to possess the land – take it back from the enemy. They must follow suit in the way their forebears did to take the land, and tame it and civilize it and establish it.<sup>1</sup> You must take my Kingdom to this nation. Without a doubt, this is what is required for my glory to be released and for this nation to enter its destiny. You, you have to take the Kingdom with you and settle this land. This land must become Kingdom property. At the moment it is owned by the Prince of Darkness, but it’s my land. I am working through you. You must claim the land, not in prayer, but in action.<sup>2</sup> You must take the land. Establish the Kingdom here. Settle, become resident here as Kingdom people. Spread the news, spread the word. This is my message for you today.”

## What is it you want us to know about ISIS and Australia?

“Isis is coming. So be prepared. Be prepared for shock waves. Be prepared for shock-horror, shock-awe. These people are relentless, they will not be stopped by human intervention. They will endeavour to take this nation. They will endeavour to subdue it but they will not succeed. **I** am fighting for you. **I** am The Mighty One. It is not my plan that they should succeed. They will try, but they will fail. Be warned, they will try. The attempt will be bold. They will grow bolder, they will grow cheeky, but they will make mistakes and the mistakes will be their undoing. **I** will rise up over this nation and I will defeat them. I will drive them back with your help – with your prayers, with your unction, with your reliance on me. We will do it together. It will be a great victory. Be prepared, the days ahead are dark. The days ahead are not to be enjoyed, they are not to be looked forward to. But they will be days of victory. Plough straight. Be determined in what you do. Listen to me, always to me and I will bring the victory. This is my message for you today.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.

---

1 – Our King doesn’t use politically correct language – he’s righteous and above that. He deals with truth and reality, and is not concerned if people are offended at his word. It was the Europeans who came to Australia who he used to turn an insignificant continent of hunter-gatherers into an advanced civilization. He changed us and made us the head, not the tail, so that our nation is now recognised and is prominent internationally.

2 – Even though the Israelites were miraculously freed from Egypt, they had to fight and work hard to possess the Promised Land. Today, we look for and pray for miracles instead of working in partnership with Heaven because we are lazy due of our fallen nature. What is needed is this: prayer to change the spiritual atmosphere and an army of co-labourers to advance the Kingdom. We need dread champions like David to slay the ‘giants’ that prevent us from possessing what is our King’s possession for his people.
