

# MESSAGE: Nations Are Being Evaluated 2-5-2016

*(Transcribed from a smart phone recording from the CCOP meeting on 2<sup>nd</sup> May 2016)*

## Question

Lord is there anything you want the residents of Mindanao to know about the circumstances of the drought that they are in?

## Message #1

“Release this to them: I've heard their cry, I've heard their prayers and I've heard their heart pleas. I see their distress. I've walked the streets and seen them in their despair. But seeing people in despair does not negate me from carrying out my justice and my will. I did not spare the Egyptians. I did not spare my own people when they turned away from me to their idols and to their gods, the gods of the heathen. And I say to you Mindanao, you must turn away from your idols, whether they are idols of your thinking and your desires, or whether they are idols that you worship against what you know is right in worshipping me. There are things in your culture that are abhorrent to me. There are things you must cleanse from your churches, from your homes and your families, from your businesses, from your radio stations, from your police forces. You know what these things are, but you are afraid to step out and eliminate them because of what others will say, and because of your desire to maintain the status quo. You must start doing what you know is right. Here and now I place in your heart knowledge of what you should do. And I declare to you that you must carry out what I've deposited in you – your future depends on it.

I am: I am. And I declare this to you: This is a test for you, testing your worthfulness of me - your worship of me in other words. Cleanse your city. Cleanse your region and turn wholeheartedly to me and you will see major changes. This is a principle I've had in place since the creation. Those who turn to me, I release blessing. Those who turn away are accountable – no one is exempt. There may be a delay, a lag in consequences, but it will overtake all individuals, all people groups, and all nations. So I set this before you today: cleanse yourself. Cleanse those things that you now know are abhorrent to me, are not in alignment with me and my desires. Then you'll see my hand of release and blessing, because I do not hold it back from those who align themselves with me and who love me with their whole hearts.”

## Message #2

“I'm zealous over you. My spirit moans and groans much over what is happening with the nation, with the island, and what I want to have happen. There is much conflict, but as I am Lord I will bring about those things that I desire. I do not want a second best, I want what I planned before the beginning. I'm jealous and I will shake in order to bring those things about. Many things will not be pleasant, but I still Lord in it, and I will not give you more than you can bear. I'm raising up a breed of people who will trust me, who will learn not to waiver, who will learn to go not the way that many do of their systems, but who burn with me, with my fervent heat so that they will be a mark-post for many to follow. They will be a proper light where there are many counterfeits.

These upheavals that you have, I see men's purpose, but underneath and beyond it I make my own purposes out of it. For I would have you as a light to the rest of the Philippines. I would have you rise up as people who will go out and bless other nations, and I will take what is seemingly disastrous and make it a thing of beauty that releases my glory, releases the destiny for Mindanao so that it has people who hang on to me so that they will stand and the nation will stand, purified for me.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
