“God's Original Plan”

[35:25]

**The following quotes
are important points
from Myles teaching
session**

Rulership

God's simple intent and purpose
from the beginning was to extend
and establish his kingdom on this
Earth

God's original purpose and intent was:

To rule the seen (*that's the visible world*),
from the unseen (*that's the invisible world*),
through the unseen (*that's the spirit of man*),
living in the seen (*that's man's body*),
on the scene (*that's the Earth*).

This is God's program.
Still is, always is.

What's the underlying purpose of all that?

The Earth will show (display)
what Heaven is thinking

He (God) is the king of
everything

God created you in his own image
and his likeness, to have **dominion**

Here it is in black & white:

Then God said, “Let Us make man in Our image, according to Our likeness; let them have **dominion** over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.”

Genesis 1:26 (NKJV)

Do you see worship in that verse?

Do you see singing in that verse?

Do you see Heaven in that verse?

The word '**dominate**' means:
'to govern', 'to rule', 'to control',
'to manage', 'to lead',
'to have authority over'

So God gave man dominion of all these things and made him the king of the Earth

Kings
have
dominion

Who owns Earth?

“The earth is the Lord’s, and all its fullness, the world and those who dwell therein.”

Psalm 24:1 (NKJV)

Earth was never yours.

He gave it to you to manage under a lease agreement called '**Dominion Mandate**'.

God never gave us ownership –
he gave us rulership

When somebody gives you ownership, then they are not responsible any more.

But if they give you rulership they are still responsible.

So what God gave man was a
management contract of Earth.

He gave man a **lease agreement**.

Get This:

Therefore, what you do with the planet, you've got to give an account back to the owner. And how you use the planet and what you do with it. You've got the report back and he would judge us according to how we agreed to run the planet. →

That means that we are the managers, we are the supervisors, we are the rulers, the governor's, we are the leaders of the planet and whatever happened to this planet is our responsibility.

This is a very important statement:

God is king, but he doesn't want
subjects. **He wants sons.**

This is another very important statement:

It was never God's plan to have
subjects, but **sons**

Heaven

Check this out:

“The heaven, even **the heavens, are the Lord’s; but the earth He has given to the children of men.”**

Psalm 115:16 (NKJV)

So God's plan was to create a creature that would have dominion or rulership over a domain called Earth.

That's clear to God.

It ain't clear to us quite yet.

You were created to be in charge
of a territory.

So trapped in every one of you is a 'Dominion spirit' and a 'Dominion Mandate'.

That's why you go crazy when you are dominated.

You were not created **for** Heaven.

Heaven is where you came **from**.

Everybody wants to go to Heaven
and God don't want nobody there.

God said [to himself], *“Look, I needed somebody to dominate a real estate called Earth. That's what I needed.”* →

“I didn't need anybody in Heaven to come sing for me. I got some angels there, but much better than you guys. I don't need to hear no chorus. I need someone to rule for me.”

If God says he created you to dominate Earth, then it's very clear that you cannot stay in Heaven.

Religion

It has never been the plan of God
to establish a religion

Religion is man-made

Religion is man's attempt to search
to find something they believe they
lost

Religious people haven't found
what they're looking for yet

Religion is like an organized club
created by man to satisfy his
hunger to find God

God made a decision: *“I'm going to make it easy for you. I'll come and discover you.”*

**Details on religion will
be in another session**

Christianity

“Yet to all who received Him, He gave the power to become sons of God, to those who believed in His name”

John 1:12 (MEV)

It has never been God's plan to have
Christians, but **citizens**

Sons are citizens of God's kingdom

We've become something that we
created

The Bible never names us
'Christians'

'Christian' is a pagan tag

To be a Christian, you gotta live up
to pagan's expectations

To be a son, you gotta be like your
Daddy

To be a citizen, you gotta represent
your country

To be an ambassador, you got to
represent your government

I used to be a Christian, but today
I'm a son and a citizen and an
ambassador

The Fall

The Fall of man messed the whole
program up

The Fall of man was a fall, not from Heaven, but from dominion (from rulership)

Man fell from his responsibility of
dominion (rulership) over the Earth

“The fall of man, or **the fall**, is a term used in Christianity to describe the transition of the first man and woman from a state of innocent obedience to God to a state of guilty disobedience. Although **not named in the Bible**, the doctrine of the fall comes from a biblical interpretation of Genesis chapter 3.”

wikipedia

Nowhere in the Bible is Satan ever referred to as a king

Satan is illegal

If Satan is ruling your life, that's
illegal

**Details on The Fall will
be in another session**

Prayer

If you don't understand the Earth
(management) arrangement you
won't understand prayer

Heaven can't do anything on Earth
without the permission or access
through those who God gave
authority to

Prayer is constantly giving God permission to interfere in the Earth because you're the one with the **license** (to manage)

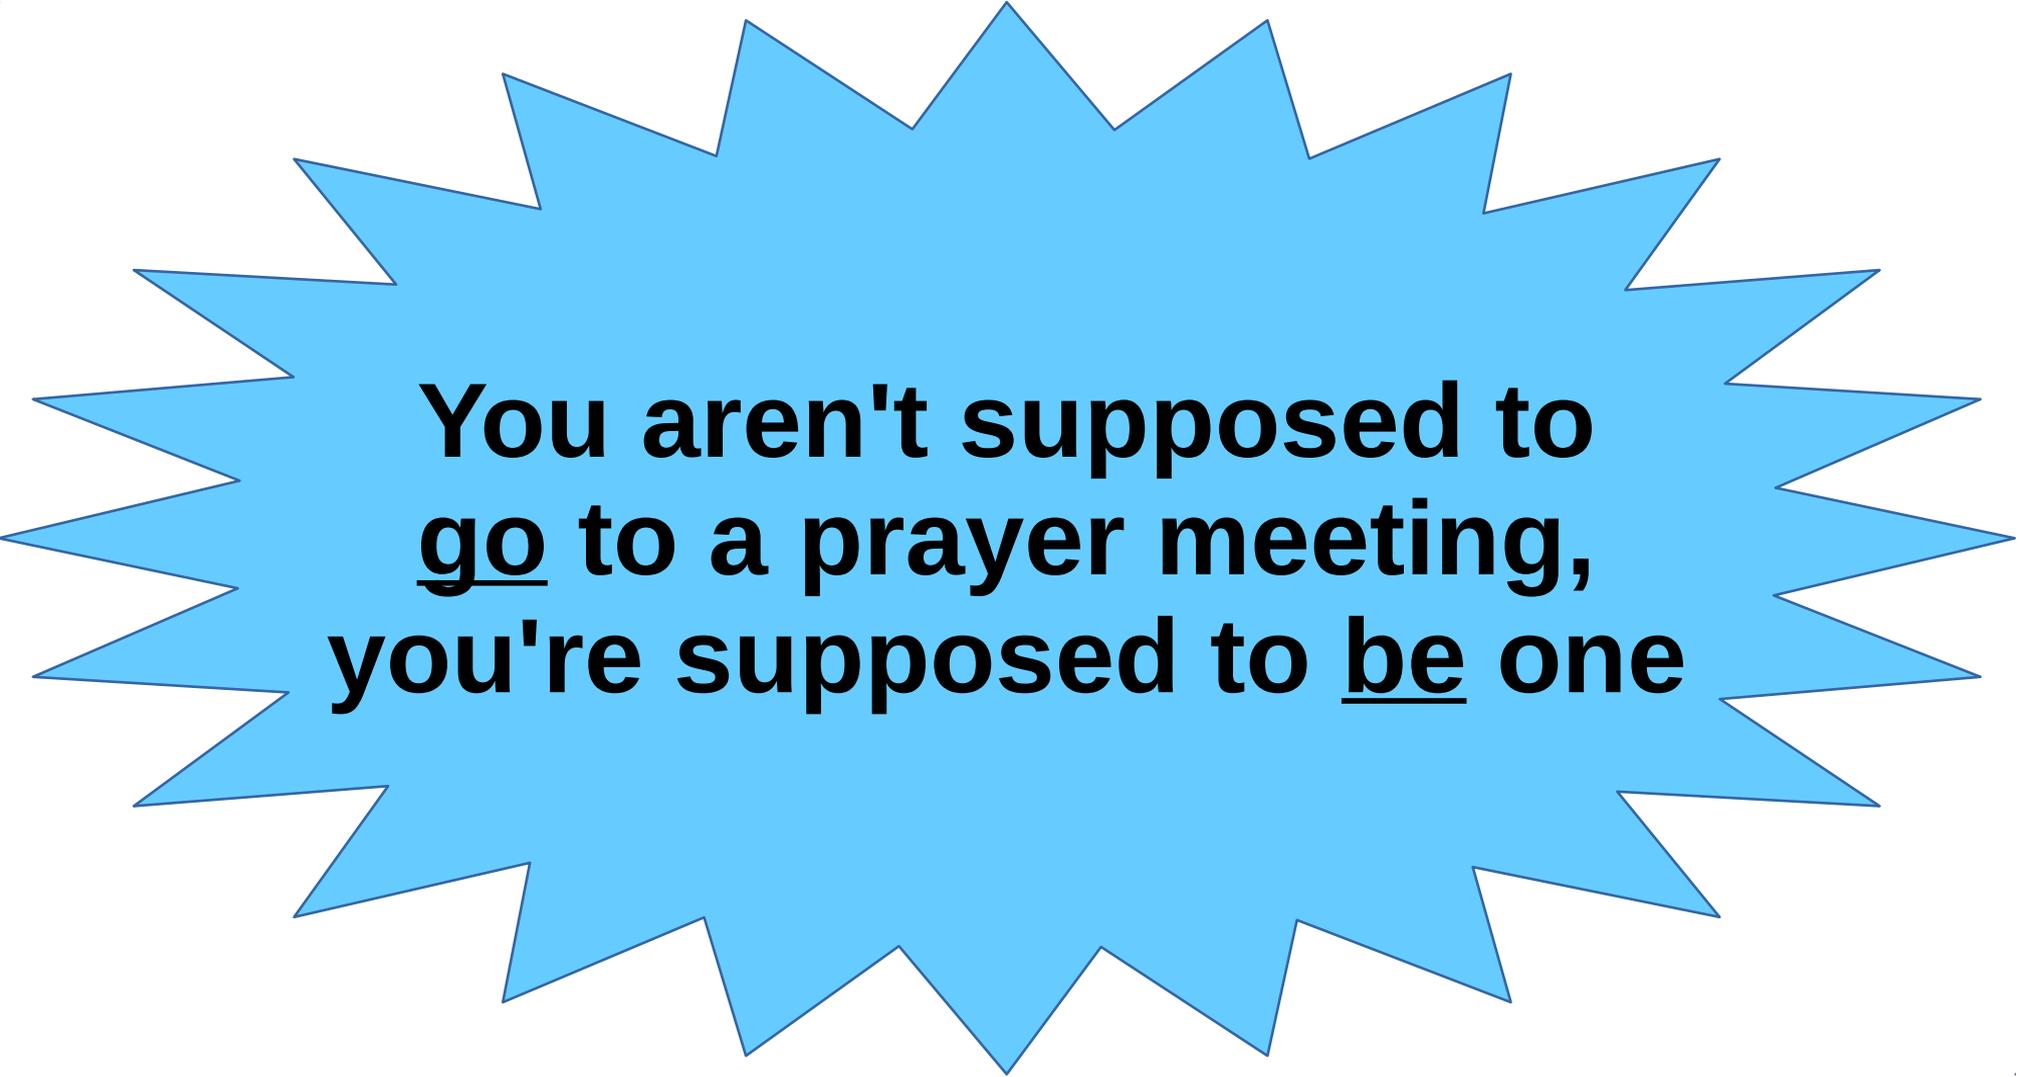

The one who set the system up
declared that men ought always to
pray and never stop

Prayer is business.

You are doing business with a
government from whom you are
the ambassador

Prayer is the medium through which you get your fax to come through. And your emails.

Prayer is how you get your flow of
information and resources to
come from the government

A blue starburst shape with a black outline, containing the text "You aren't supposed to go to a prayer meeting, you're supposed to be one".

**You aren't supposed to
go to a prayer meeting,
you're supposed to be one**

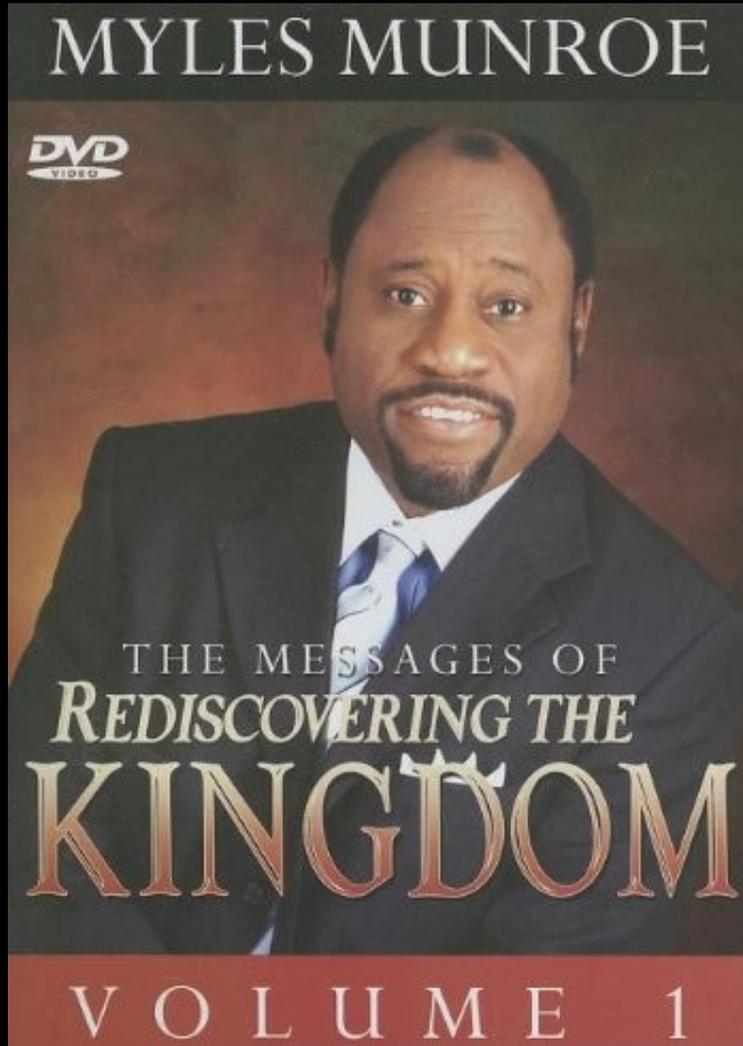

**What's the
purpose of the
detail in this
lesson?**

**It all boils down to
KINGDOM mentality**

But not
everyone
is happy
about the
complete
Kingdom
message
