NOTES

1. The purpose of our Faith should be: The restoration of rulership of God on Earth through mankind.

NOTES

2. The message of Jesus was about a Kingdom from Heaven on the Earth.

NOTES

3. Jesus' passion and desire was to establish the Kingdom on Earth, not to get us to Heaven.

NOTES

4. The purpose of Jesus – his ultimate intent – was a Kingdom on Earth in the hearts of men.

NOTES

5. God's Kingdom wants to invade territory – not physically of land and territory, but hearts.

NOTES

6. NOTE: God's Kingdom is not about taking over countries – it's about changing hearts so that people with Kingdom hearts impact their country with the Kingdom.

NOTES

7. The Kingdom is not in Heaven,
although Heaven is a Kingdom.

NOTES

8. Jesus only had one message –
the Kingdom of God.

NOTES

9. Jesus preached that Heaven is coming to Earth.

NOTES

10. Heaven is in the next realm (right next to us), not “way up there”.

NOTES

11. Genesis 18:18 – God is interested in nations, not just individuals.

NOTES

12. Moses introduced directly from God the concept of “a Kingdom of priests”. (Exodus 19:6a)

NOTES

13. A priest is a representative of God to the people.

NOTES

14. A priest is responsible for the spiritual well-being of a nation.

NOTES

15. Adam was supposed to operate as a priest and a king.

NOTES

16. David was a priest as well as a king.

NOTES

17. We are all priests and kings in the Kingdom.

NOTES

18. The church today – the people –
are afraid to be kings.

NOTES

19. Democracy and republics are not biblical.

NOTES

20. Democracy and republics
separate the function of the king
and the priest.

NOTES

21. The separation of church and state is the separation of the function of the king from the function of the priest.

NOTES

22. Don't leave your job to become a pastor – you are a pastor in your job.

NOTES

23. IMPORTANT: We have to get our understanding of the Kingdom and the Gospel of the Kingdom right in this generation or the return of Christ will be delayed again. This is because we're not currently preaching the true gospel.

“I’ve been taken over by the Kingdom. It’s taken over my heart, my mind, my soul, my body, my future. It’s taken over my attitude, my audacity. It’s made me a dangerous man. I’m a forcefully advancing human.”
