“The Three Angels' messages of Revelation 14 are highly significant to the Seventh-day Adventist Church. In the SDA Church's official mission statement, the Three Angels' Messages are prominent: The mission of the Seventh-day Adventist Church is to proclaim to all peoples the everlasting gospel in the context of the Three Angels' messages of Revelation 14:6-12.”

### 3 Angels' messages: Seventh Day Adventist

**Did You Know?**

- **Angel One** (Rev 14:6): Has the everlasting gospel to preach to all who are on the earth, "for the hour of his judgement has come".
- **Angel Two** (Rev 14:8): Babylon the great is fallen because she caused all nations to drink of the wrath of her fornication.
- **Angel Three** (Rev 14:9): If anyone worship the beast & receives it's mark they shall drink of the cup of the wrath of God.

“The Church has a strong emphasis on the need to show evidence of glossolalia or "speaking in tongues" to demonstrate receiving the Holy Spirit to be considered a full member of the Church and a saved Christian. Revival Centres International bases its glossolalia teaching on a literal interpretation of Acts 2, a trait with some other Pentecostal groups.”

“Revival Centres International statement about British Israelism is that it draws together Biblical and historical clues to identify which peoples represent the fulfillment of God's promises to the Old Testament nation of Israel. They believe that God's intention for Israel was that they would be a blessing to all the families (nations, ethnic groupings etc.) of the earth, not that they would form some kind of master race.”

## No inter-racial marriage:

“Bob Jones University, a Christian college with notable alumni such as evangelist Billy Graham and Tim LaHaye of the Left Behind series, had a school policy banning interracial dating up until 2000.”
