

MESSAGE: Are Things Really That Bad?

(King's Counsel on 14-8-2017)

Question: Lord, are things really that bad now that our only hope is for you to return and end everything?

Message #1

It is fear that causes my people to think this way. They have operated for so long in powerlessness, that they do not recognise and understand that the power that I have is greater than all the powers in the universe. They don't realise that me in them is providing the power, the *dunamos* power, to do absolutely anything.

Darkness, the evilness of the world, should not put my people into a state of mind that they want to get out of here and they want me to bring things to a climax. Seeing the evil should cause my people to 'grit their teeth' and say, "We'll clean this up. Like a mop, we'll wipe it away". My people, my children, are the means by which I work on planet Earth. I work through you, and so if you see evil, if you see darkness, then it is your responsibility, as I show you, to eliminate it.

So if things appear to be getting so bad now, it is an indication that my people aren't doing the job that I placed them there. I gave Adam and his descendants the authority to rule this planet. I gave them the authority to be totally in charge, but they ceded that authority to the enemy. And basically what my children are doing now is the same thing. Instead of rising up and taking their position of authority and moving forward as I show them, they are operating in fear and giving in to the enemy, and so things just get worse and worse.

No, I don't have to come back now and fix it! I want you to fix it!

Get close to me, know my heart, come into counsel with me, find out what my strategies are and start implementing them. These strategies are not all-out warfare. They are my people living the Kingdom life, taking the Kingdom wherever they go, speaking, loving, serving and touching the lives of people. It's amazing what my disciples did right back at the beginning. They turned the world upside down because they believed and they operated in the power and the authority that I gave them. You can too. Take my authority. Listen to how I show you how to use it and make a difference. I am wanting you to make the difference. I don't have to do another Sodom and Gomorrah, another global flood. I am now in you, in my people, in each one of you. You have my power, my authority, you represent me. So go about your lives, cease being fearful and allow me to change the world through you.

That's my plan. Any other plan is false. So take heart, I'm supporting you. I'm strengthening you and I'm directing you. Make the changes. You can do it.

Message #2

It is the 12th hour, but how long will this 12th hour last? Yesterday was the first day of the year, now look where we are now. This could last one year, this could last 20 years. When my people are ready, this hour will finish. But before the hour is finished, this people – my sons, my daughters, prophets, apostles, teachers, evangelists that I have raised up – will be used.

This great game of chess is being played out. The purpose is that, like the sound of a bee hive – thousands upon thousands of bees – the sound will be of the humming of all those who believe in me joining together in praise and worship. It will be like a hum, a hum of the righteous all over this world.

I am not yet ready. This hour, this 12th hour, is not ready to finish. Only I know.

But my people, when I raise them up, when I place them as on this chessboard, when I position them and then I give them their orders, then we will take this world one last time. We will take it back from the enemy. It will be like a hum of a great bee hive, the roar of my army buzzing, that will echo through the ears of all in this world.

My people, I have such a great love for my people. I will drag this hour out, as long as I need to, that I will bring in so many that I will save them all – save as many as I can from destruction, from their own wills, their own wants. I will position my people over this world, this great chessboard, and I will play this game that the enemy thinks he can win. But as we know, there is only one victor in this game, it is righteousness.¹

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
