

MESSAGE: Canberra

(King's Counsel on 10-7-2017)

Question: Lord, what is your message for Canberra today?

Message

I have told you before that Canberra is a jewel in my crown. That is my way of exemplifying how important this city is, how significant this city is, how much I respect this city and have plans for greatness for it. This is not man's city, it is my city. I organised the formation of this city, the national capital, and as this is a special nation for me, the capital, the brains that drives the nation must be even more important for me.

Please see Canberra from that perspective, through my eyes. Don't look at it and see the things that are going wrong. Don't look at it from the other perspective and desire to do great human feats and bring things about from a human perspective and from human strength. See it through my eyes and work with me, so that this city can rise up to be a jewel in the cities of the Earth.

London has its Big Ben. Paris has its Eiffel Tower. The big cities have landmarks that identify them. I don't want Canberra's landmark to be a feature on the landscape. My desire is for Canberra itself, by its very name, to be outstanding amongst those who manage the Earth: the kings, the presidents, the prime ministers. This is my desire for Canberra, but it cannot come about while you are working against me, while you are doing your own thing, what you see as right in your eyes.

Canberra, I say to you, "Seek me. Ask me what I desire for this city. Ask me what you can do for this city." When you align with me, things will move the direction of greatness. You see, it's all in your hands. I have my plans and purposes, but I choose to work through people, and if the populace doesn't work with me, my plans cannot come to fruition.

I call you Canberra to align with me, that is the best for this city and for the nation.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
