

# **MESSAGE: The Outcome of the Same-Sex Marriage Vote**

*(King's Counsel on 18-11-2017)*

**Question #1:** Lord, now that our nation has voted in favour of same-sex marriage, what is your message to your people?"

## **Message #1**

"That was the question I was expecting my people to ask prior to making the decision. That being said, I will answer it.

It is time to 'hunker down', time to 'steel' yourself ready for action. This is not a time of complacency, things are hotting up. In the spirit realm, things will start to happen. Things that you are not expecting to happen will begin to become evident, will manifest in this nation. These are not way-out things that some people have predicted that are totally catastrophic. They are changes in the spiritual climate of this nation and you will see things happen that you haven't seen before. You will see things rise in intensity – things that you are averse to, things that you declare to those around you that do not belong to me or are not approved by me.

It is a time now to cease your concern and your worry, putting it aside and trusting me. I am the Commander of the Armies of Heaven. I am the general. Look to me. Seek my orders. Seek counsel from me. This is 'Christianity 101', I'm not teaching you anything new. I'm saying, this is the time where it really matters that you seek my counsel – for your benefit, for your family's benefit, for your city's benefit and for the benefit of the nation.

You have seen a change in the spiritual climate in the West over the last 50 or 60 years. This change, while ever the enemy has a foothold, will continue to escalate. But, do not be put off by this, do not be afraid, because I am raising my army to counteract. A good strategist always has a contingency plan for a change in the enemy's tactics, and I've got mine. Those who are prepared to commit themselves wholly and solely to me and totally trust me will be marshalled and released to counteract what is happening in this nation. This is why I said, "hunker down" and "steel yourself".

Prepare yourself for war, and I don't mean war in the natural where there is fights and arguments, and clashes in the streets, I'm talking about spiritual war. This spiritual war will be fought in private and it will be fought in public. I've brought this to your attention before. It is time for my people to come out of hiding and start speaking as I would have them speak. They are my ambassadors, as they are my representatives, and they are supposed to speak what I approve of because they represent me. This has to begin in earnest. But, it has to be done in a loving way, in a way of spiritual force: not aggression, not pressure, but out of the spirit must come the truth that is to be spoken wherever the opportunity arises.

The decision has been made by the public. The politicians are busy aligning themselves with that. Your job is to align with me so that we can get about our business. Because, remember, you're on the winning team. Never forget that."

**Question #2:** Lord, what can we do to avert the spiritual consequences of this decision?

## **Message #2**

"This is not a time for complacency. My people have been hiding away for years and years and years, afraid of what the world is doing, afraid of what the nation is becoming. They've reverted to religious activities to try to counteract what's going on. But you can see from the decision that has been made, all the religious activities have been of no effect. If you want to counteract the consequences of what's

happened, then the answer is me. Not what I did 2,000 years ago, but what I am doing now and what I will do in this nation.

It is time to align with me. It's time to become partners in the plans that I have, in the work that I am doing. I must firmly establish my Kingdom here in this nation. The Kingdom is here in my people, but it's not established in this nation as a feature of this nation. I came to bring the Kingdom, my father's Kingdom, the Kingdom of Heaven, as Daniel interpreted the dream for King Nebuchadnezzar. This Kingdom is to be firmly established and grow to fill the whole of the Earth.

This is a generation that has longed to be seen by past generations. I warn you and I alert you to the fact that this is the generation that I am beginning to make inroads into societies in a major way. Not to put aside the affects of the evangelism that's taken place over the last couple of hundred years, but I am talking about severe changes, and I mean 'severe' because those who are not partnering with me will see it as 'bad' moves.

I'm going to make big changes, but for that to happen I need my people. They are my workmen. You are my workmen. You must get that. I don't do things like magic from heaven – snapping my fingers or waving a wand – or releasing angels to do things. I work through my people. I created humanity to be in charge of this planet. I have given you a free will, free choice. It's time to rise up, to take your place where you are supposed to be.

As sons I expect you to be carrying out your Kingdom assignments with vigour and with perfection. This has not been happening. If you wish to avert the consequences of what's happened since the 1960s, that's been slowly destroying the fabric of this nation, then my people must come out of their hidey-holes. They must come out into the public arena and begin to set up my Kingdom, as I show them. There is no other way.

Do not set your heart on revival. Set your heart on national transformation. This is my desire, this is Father's plan. This is on his heart and that is what must come to pass. I can't make it any more plain than that. Seek my face. Align yourself with me. Get into a relationship of intimacy with me. That is, close to me like brother to brother, so that you know my heart, so that you hear my voice, so that when I speak, out of faith and out of trust and out of love for me you say, "Right. It will be done", "Yes, Sir. I'm on it". This has to happen.

My people throughout this whole nation must begin to get this paradigm shift. They are in an army. They are not nice Christian, lovely people. They are warriors of the Most High God, full of love, and they will conquer with that love. But that has to come side by side with the other tool of warfare which is primarily face to face confrontation. That's it. No other way. And as I outlined to my disciples,<sup>1</sup> you have to make a decision whether you are going to count the cost and move forward with me, or back out. It's all up to you.

I lay it before you today, Australia.

My people, make the choice. Those who are aligned with me take one step forward, and let's go."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
