

The Kingdom Mind-Change

(Prophetic message 19-2-2019)

Question: *Lord, what is required to change our thinking so it aligns with you?*

Message

“This is the million-dollar question. Many of my people wanted to know this, but they struggled with their thoughts. It basically comes down to what you’ve been programmed to think. There are foundations in your mind which you use to analyse everything. Everything, like a worldview, is passed through these foundations. Everything is either accepted or rejected as it’s filtered through your belief systems.

Your belief systems have to change. It is not enough to have a Christian worldview or a biblical belief system. You must have a mind that is my mind. To put it simply, you need to think like me, and you can only do that if you have the freedom to exclude every other ideology. It’s your ideologies, your belief systems, your worldviews that you subscribe to that get in the way of thinking like me.

Now, the process of this, to change to my way of thinking, requires a number of things. First of all, you need to acquiesce to my demands – that you think like me. It is no longer applicable for you to stick with what you have believed in the past, and from that, believe you are pleasing me. To be a son in my Kingdom, it’s about walking, working, speaking for me and with me. Your Western civilization with its personal rights and ‘doing your own thing’ is an anathema in the Kingdom. In the Kingdom, you’re under my kingship and under my rule. It’s *rex lex* in the Latin – the King’s word is law. While ever you chase after and think about the things that you have approved of in your heart and mind, there’s a 90% chance – in many cases 100% chance – that it’s diametrically opposed to me and the thoughts that Heaven wants generated.

So the first thing is to submit to me and allow me to have my way. And this is not about being a slave, this is about being a citizen of the Kingdom. Under my rulership, you do have plenty of freedom and liberty in the Kingdom, but that all comes when you align with me. So submission to my desire to have your mind changed is the first thing, and that really means that it must come from your heart – that you want my mind, you want to think like me, you want to have my attitudes.

The second thing is that you must put no credence in anything that you have been taught in the past. You need to run everything past me. You must allow my Spirit to filter by the process of approving or disapproving of your belief systems. Any ideologies that you subscribe to must be put aside. In fact, more than put aside, they have to be eliminated. You have to develop a Kingdom mindset, and that’s not thinking of the Kingdom from a biblical perspective.¹ You actually have to have my mind.

That’s not an easy thing to do because your ideologies, your belief systems, your worldviews, are entrenched in you. It will require my hand for it to be successful. I can change you from the inside out, which is the best way, through my Spirit, to do surgery on your heart and mind. But it’s painful because your ideologies are what make you the person you are, and you actually have to destroy who you are so I can re-create you into who you are meant to be as a Kingdom citizen. And my method is that you ask me to change you, change your mind, and I will do it. But, I will do it by my process and in my way, and it will require you to totally surrender everything you believe. You must be prepared to have anything that you believe taken away from you, and that will be hard.

Finally, your thoughts must be brought under control, by my Spirit through your spirit. For your mindset to be changed, you actually have to align with me as I change you, because your normal thought patterns will resist what I’m trying to do. So there is it. They are the foundations, the bases of having my mind – having your mind changed to mine. There’s no time to lose. Start today. Ask me to change you. Bring your heart to a point where you want to be changed, and by that I mean total surrender. We will work together on this, and you will see the difference. Those you mix with over a period of time will see the change, and you will know that you have been successful.”

1 – The full knowledge and understanding of the Kingdom God is known in Heaven. We try to understand it from the limited bits that are in the Bible. There’s an enormous amount that we don’t know and, as sons, it’s Father’s pleasure to teach us what we don’t know because it’s our inherited right to know all. [LDS]

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia
