

# Counsel to Prepare for the Federal Election

(Prophetic message 3-3-2019)

*Having listened to Adam Thompson's<sup>1</sup> 5-minute prophetic message<sup>2</sup> which was given for us to prepare for the 2019 Federal Election, there was a desire to get a grasp of the pure rhema it contained. It was also important to get confirmation from the Lord regarding its core message and to find out exactly what his instructions were so his goal can be achieved. The message below was given by our King so we'd know his mind on these matters.*

## Message

“The challenge to see Scott Morrison remain as Prime Minister after the election is a big one. I put it in front of you, Australia – I have asked you to align with Heaven, to align with me, to see righteousness restored to Australia, but I have given you the choice – the easy way or the hard way. You see, my people, the sons of the Most High God, are supposed to be those who have the major influence on the ‘climate’ of society. Your presence in Australia is to be light and salt. That light and salt is not about doing good deeds, being about good works, being nice people. It’s about taking your position of authority and using it in your nation to see the nation align with Heaven.

By authority I don’t mean the type of spiritual authority that you’ve been taught to operate under, where you stamp your feet and shout and scream. When I was on Earth, I didn’t do that – I set you the example. Authority is displayed, it is carried, and the forces of darkness know that you carry authority. It’s all in the mindset that you have. The enemy is very cunning; he knows whether you’re operating out of your authority as a son and out of faith – you cannot trick him. When you operate religiously and in ways taught by men that are not spiritual ways that operate in the spirit realm, the enemy just laughs. He sees that it’s ineffective.

So align yourself with me in the way things should be done to see righteousness in this nation increase to a point where the nation changes completely. This is by using your authority as sons to impact the nation everywhere you go. Just by your very presence, the ‘atmosphere’ should change. Now, this can only happen when you start learning to be a son and cease wanting to change the world without operating through your sonship.

This sonship is not something that you claim because the Bible says so. It’s a sonship that you have, that you must learn to operate in. I spent 30 years in an apprenticeship, not only as a carpenter, but as a human being and as a son, and that son that I was is the same as you. I had to learn to be a son. I had to prove myself to Father as a son, so he could release me into the things that I have ended up doing. The challenge for you, Australia, is first and foremost to be sons. Cease your religiosity. Get rid of your legalistic fears, and begin to step out and allow me to train you to be sons so that you can actually function as you were created to function.

There are those in the church system who teach against dominionism. I can tell you that you were created as the jewel in my creation, to be like me. You were created to rule. Once you come back into the Kingdom through your spiritual rebirth, you are back where you’re supposed to be. All the authority in Heaven and Earth that was given to me flows to you because I am in you. Don’t balk at this. It’s a huge responsibility, and there is the tendency to balk at it in case you make a mistake or because people will not accept you. Well, they didn’t accept me, but once I started operating in the Kingdom, the people saw what I carried, and they wanted to be with me, and many wanted to be part of me.

Change your mind, change your heart and make a decision to be like me. Tell me that you want me to train you as a son, and I will train you as sons. True, you will be sons and daughters, but you will operate in the spirit realm as sons, and you will impact the nation.

So there you have it. I place before you the responsibility of seeing righteousness build in this nation so that the nation changes, and that is to take your place as sons, and rule as you are supposed to rule. But

2 – Re-elect Scott Morrison or darkness and persecution will come from changes in the law. Prophetic message delivered in 2018 by Adam Thompson.

you need to be trained as sons, and part of that training is to allow me to rule through you, because it's my authority that you operate in here on Earth, not your own.

So if Scott Morrison is to remain Prime Minister, as sons, the choice is yours. Do you align with me and have him remain as Prime Minister and see righteousness increase, or do you reject that because of your political ideologies, and see darkness increase? I have given you the choice – the easy way or the hard way. The easy way is always to operate in alignment with Heaven, so the responsibility is yours. Agree with me with your whole heart, with your whole mind. Speak it out – and I don't mean naming it and claiming it. I mean, wherever you go, you are in agreement with me, and when anyone asks you a question about the election, you state what I want – that's how the atmosphere changes. The more of my people who do this, the more you will see the spiritual atmosphere change.

It's a huge responsibility when you come into the Kingdom, the responsibility of operating as my representatives. There is no greater responsibility on the planet than to be a son representing me, representing Father.

So wake up. It's time to cast off the shackles of religion and become who you are supposed to be, and see this nation transformed as I operate through you.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia
