

Sonship and the Federal Election

(Prophetic message 23-4-2019)

Question: *Lord, you've told us that our sonship¹ is vitally important,² that it's the centre of our focus after our intimate relationship with you. What else do you want to tell us about our sonship in relation to Australia, especially the upcoming federal election³?*

Message

“Haven't you heard? I have been speaking out the message for quite some time now that alignment with me is the only way that you are to operate, to live, to do life. Everything must come into subjection to me. While ever you take your eyes off me and focus it on life – even focusing on politics – you have strayed from the path that sons ought to be on. You see, I brought you back into Father's family through my death and resurrection, and this family is a spiritual family. Now, that doesn't mean to say that everything is spiritual because you live in the natural, just as I created Adam and Ezer⁴ to [live in the natural realm]⁵. The spiritual realm and your spirit are the real realm: This is where your focus must be.

You see, religion focuses on the natural, trying to acknowledge and placate the spiritual. But, because you've been 'born again', you are now spiritual beings, and your job is to communicate with me and to connect with me, spirit to spirit. Don't see this as a mystery. Logically speaking, you have been reborn spiritually. You have entered a spiritual kingdom which manifests itself through you into the natural. That concept must be grasped by you and set as a paradigm. By that, I mean you must see yourselves as sons of the Most High God: That's sons and daughters in a father-son relationship⁶, as spiritual beings. Your relationship with us spiritually, your communication with us through the Spirit is what being 'born again' is about.

So, my Australian sons need to have that paradigm shift, to see it as life in the spirit realm. Now, this goes way beyond being baptized in the Holy Spirit and being gifted with spiritual gifts. This is your whole life. This is why the Internal Kingdom⁷ is so important. If you continue to see my Kingdom in Australia as what you see around you, you will miss the focus that I have. Your Internal Kingdom is my throne inside you. When you enthrone me in your heart, when you assent to that [arrangement] with your mind, then I can operate spiritually through you and impact the world around you.

Australia will not change rapidly for the good while ever my children focus on the natural connection with the spirit realm. Kingdom citizens operate in the spirit realm through their spirits. They operate out of the Internal Kingdom. They draw on me, they draw on the supply of Heaven. Their focus is on what I want. Their focus is being about Father's business, which is what they receive through spiritual communication. The mind and the heart have nothing to do with this: It's your spirit connected with my Spirit and releasing Heaven on Earth as you align with me.

So there you have it. If you wish to see changes in your nation, then you have to shift to being spiritual people. That is a huge paradigm shift because you have grown up with the religious concepts of “God's in Heaven, we're down here, and we've got to serve him as servants”, and, “We have to worship him as Almighty God”. That is the wrong paradigm for my sons and daughters. You are now family – spiritual family. And, you have to have the right attitudes to be able to operate in the Kingdom, because it's got nothing to do with religious worship, nothing to do with finding ways to stop me being angry with you.

Please, get rid of that thinking. Allow me to implant in you the paradigm: That you are spiritual beings, and it's all about being spiritual sons in the spiritual Kingdom, to be about spiritual business for Heaven so that your nation changes.

1 – ‘Sonship’ is a Kingdom jargon term representing the type of strong, resilient relationship and bonding between a loving father and a dotting son, in the natural. It is not based on emotional ties, but on trust, honour and esteem. This type of relationship can be entered into with Father by any person in the Kingdom, male or female, if they wish.

4 – ‘Ezer’ is the Hebrew relational/functional title of Adam's wife. Adam didn't give Eve her name until after The Fall.

See “5-Revealing Ezer” for more information (canberraforerunners.org/wp-content/uploads/2013/03/05-Revealing-Ezer.pdf)

5 – Added to make the sentence more logical when read [LDS]

7 – Read “Understanding the Internal Kingdom”

Now this brings me to the upcoming federal election. If you want to see Australia as a nation move ahead righteously, in alignment with me, then you have to vote as I want you to vote. Put aside your politics, your worldviews and your ideologies that don't align with my Kingdom, and find out from me how you're supposed to vote in this election. The spiritual principle is this: "A nation is according to its leaders". So, if you elect unrighteous leaders, you will have a nation that moves down a direction of unrighteousness, which I know you don't want. You must understand that for the nation – any nation – to move in the direction I want it to move (if it's a democracy), people have to vote the way I want them to vote so that my plans can eventuate.

Now, one little thing that you need to understand is that you, my sons and daughters, are the barometer of the nation. This is why you need to align with me and go about my business, speaking my words, doing my work, not the work that you think I would approve of, because you are the *ekklesia*. The *ekklesia* in ancient times were the city and town leaders that sat at the gate and made the decisions for the city, who were there to monitor who came in and out of the city. They were the ones who controlled the atmosphere in the city by their very presence and by their actions.⁸ You must see yourself as the *ekklesia* in Australia, and as having that function. Australia must rise up as an *ekklesia*, not as disparate groups of Christians.

So take your place and be part of the change that are my plans for Australia.”

ENDNOTE

W.E. Vine notes the Greek notion of 'ekklesia' that it was: "*used among the Greeks of a body of citizens "gathered" to discuss the affairs of state, Acts 19:39*"⁹

Thayer includes in his lexical definition of 'ekklesia': "*Among the Greeks from Thucydides (cf. Herodotus 3, 142) down, an assembly of the people convened at the public place of the council for the purpose of deliberating*"¹⁰

Liddell-Scott-Jones definitions include: "*assembly duly summoned, less general than σύλλογος, Th. 2.22, Pl. Grg. 456b, etc.; applied to the Homeric Assemblies, Arist. Pol. 1285a11; to the Samian Assembly, Hdt. 3.142; to the Spartan, Th. 1.87; to the meeting of the Amphictyons at Delphi, Aeschin.*"¹¹

Vocabulary of the Greek NT includes: "*For the Biblical history of the word ἐκκλησία, which meant originally any public assembly of citizens summoned by a herald, it is sufficient to refer to Hort, The Christian Ecclesia, p. 1 ff...For the ";inclusive"; as distinguished from the ";exclusive"; character of the Greek ἐκκλησία (cf. Hicks CR i. p. 43), we may cite the case of an ἐκκλησία summoned at Apamea—ἀγομένης πανδήμου ἐκκλησίας, which the editor Cagnat (note on IV. 791.7) describes as ";concilium totius populi Apamensis, civium cum Graecorum, tum Romanorum"; : see also Ramsay C. and B. ii. p. 465, where the inscr. is dated as perhaps of the time of Vespasian and Titus. MGr ἐκκλησι (ι)ά.*"¹²

Myles Munroe adds this insight: "*The ekklesia was an arm of the Roman government that helped the governor administer the policies of Rome. Their job was to help ensure that the policies and decrees of Rome passed down to them through the governor were enacted and enforced throughout the region of their jurisdiction*"¹³

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
