

# Breaking Free of the World System

We are Kingdom citizens, citizens of Heaven, and our primary allegiance is to the King. To be in loyalty this way we have to sever our allegiance to the world system (AKA ‘the world’) and live as foreigners in on the Earth even though this planet is our home once it has been restored.

The world system came into being following the Fall when Satan set up his own Kingdom to rule the Earth. He was able to do this because Adam gave him the rights to oversee and rule the planet when he submitted to Satan’s will by obeying Ezer (his wife). Ezer had already obeyed the nāchāsh and disobeyed God by eating of the Tree of the Knowledge of Good and Evil.

Being cast out of paradise in the garden east of Eden people left the presence of God<sup>1</sup> and entered the world of Satan. He influenced them, rather than Almighty God, and their lives became further corrupted by their thoughts, speech and actions. Later, the fallen ones<sup>2</sup> taught humans forbidden (unrighteous) skills and gave them knowledge<sup>3</sup> that would cause them to move even further away from godliness. Eventually humans became so corrupt that a flood was used to wipe them all out, except for 8 of them.

We live in the world system and have been raised in it. This has imprinted in us the absolute fact that it is normal. However, in regard to the Kingdom, our lives in the world are abnormal because we have given ourselves to life in our society. As our allegiance needs to be to the Kingdom, **we need to wake up and stop agreeing with and submitting to everything that is done in our family and culture**. There is much that we regard as good which is not appropriate for Kingdom citizens, but we can’t see it – our eyes are blinded to it. We are able to see the rise of new forms of evil and worldliness, but we still engage ourselves in worldliness that is not befitting our station as sons. For example, here are some things in society which are not Kingdom entities:

1. Banks
2. Insurance
3. Music
4. Theatre
5. Fireworks
6. Governments
7. Schools
8. National laws
9. Sporting events
10. Holidays

We have to live in the world system, but we are not to be tainted by it in any way. This is a hard thing to do because all we’ve known for the whole length of our lives is our culture, which is part of the world system.

Many have taken the step to come out of the world system by going into monasteries. This is not what we are to do because we can’t impact the world that way so that the Kingdom expands to fill the whole Earth. Others have ‘gone bush’ and live in kibbutz-like communities outside of the cities. We are not to do this.<sup>4</sup> Again this defeats the purpose of the “light” and “salt” that we are to be in our society.

The Christian way of being light and salt is not the Kingdom way. We must listen to the King and find out day-by-day how we are to live, work and interact with others. There’s no other way to be about Father’s

Frank Viola's podcast<sup>5</sup> may help you see the world system for what it really is because most evangelical Christians only see it as the move to a one world government. If you do listen to it you'll need to 'eat the meat and spit out the bones'.
