

# What We Have Learnt So Far About Kingdom Evangelism

Having come out of the church system and in the process of being deprogrammed of all religion and legalism, we are now learning from the King how to live as sons, Kingdom citizens and how to be an *ekklesia*.

One of the things we've been waiting to be shown is how to bring others into the wonderful Kingdom of Heaven it's done the Kingdom way. So, here's what we've been shown so far.

1. Ignore evangelical evangelistic methods
2. Be open to the Spirit
3. Impact people with the Kingdom
4. Focus on the people in our street or high-rise building
5. Create relationships with these people
6. Display the fullness of the Kingdom in our lives so they'll want what we have
7. Listen to what they are saying when we are communicating with them
8. Don't listen to them with the intent to reply
9. Actively listen to the Spirit during interactions so we know what to say and do
10. Look for opportunities to impact their lives from what they are saying
11. Stop connecting in coaching mode until they are ready
12. Meet their needs how the Spirit shows you
13. Be ready to help with anything – reading assistance, gardening, odd jobs, fresh veggies, etc.
14. Know your Kingdom knowledge so you can explain whatever questions they ask – e.g salvation, hell, evil, spirituality, Kingdom life, righteousness, etc.
15. Be prepared to provide wisdom on social, secular or political matters – e.g. anthropogenic climate change, socialism, Left-wing agenda, shadow government, deep state, raising children, etc.

Above all: **We will be unable to impact others fully with the Kingdom if the Kingdom hasn't fully manifested in us.**

So, it's our responsibility to grow and mature spiritually so the glory of the Kingdom of Heaven manifests in us at all times. This is a long process, but we have to be totally committed and actively involved.

Laurence
