

Love is the Plumb Line

(Prophetic messages of the 6th, 7th & 8th March 2020)

Question: *Lord, we've been stuck in religion for so long, following rules and regulations, and we have missed the Royal Law¹ of love and also failed to grasp the magnitude of your basic characteristic, love.² Tell us how we are to use love in our lives so that we better represent you?*

Message #1

“You are right to understand that love is to be your plumb line [to use]³ against everything – you line it up with love. Now, this is not wishy-washy love, it's not feel good love, it's my love. My love knows no bounds. You can't contain it, you can't put it in a jar, you can't bottle it. You can't describe it. It's immense. The love that humanity has in its fallen state bears no comparison with my love. Even my people who are spiritually regenerated are unable to operate out of my love because they operate too much out of their soul. Being nice to people is not the full expression of my love. Helping people and feeling good about it is not a full expression of my love. To be sure, I'm expecting you to be loving and full of good works as an outworking of your membership of our family, but please don't think that you are operating at our standard, when you're not. You're unable to love as we love. We understand that. Your heart desire has to be to learn to love as we love. Of course, there are many other heart desires that you need to have in your Kingdom citizenship, but focus on love.

It's not just about us teaching you how to love, as you would expect, and it's not about us training you to love. It's actually about our love flowing through you to others. Now, for that to happen, you must allow our love to flow to you. There is a gate that you control that allows our love to flow to you, and it's not a gate that is controlled by your emotions. It's a gate that keeps shut when your attitudes and your mind are contrary. This love [of ours]⁴ you need to experience before you can pass it on. You need to become a vessel, as it were, for us to pour our love into you so it can overflow out of you and into other people. To do that, you must open yourselves up to allow our love to be poured into you.

Now, because of your mind and your attitudes and your religious bent, this is difficult. As I spoke to the religious leaders when I was here on Earth, they couldn't see the Kingdom concepts, the genuine spiritual life that I was trying to impart to people because they were stuck in the [letter of the]⁵ Law⁶ and in their rules and regulations. I couldn't get through. The veil of religion prevented them from receiving what I had to give them. It's so today with my people. There is a veil (actually it's more like a brick wall) that prevents them from receiving my love. Sure, they know in their mind that I love them, but we are supposed to be in an intimate loving relationship, where you love me with all your heart and I pour my love into you – that's what happens when two people love each other. Learn and practise how to receive my love, and you will be able to pass it on to others. Then you will be able to more fully represent me.

Really, the key to receiving our love is to focus on the spiritual life that's inside you. The genuine Kingdom life⁷ is about me living inside you, living my life in you, and then that life flows out to others. Focus on me inside you, not on me somewhere out there up in Heaven, which is the usual concept. You are a temple, and a temple signifies the presence of God. But the reality is, you don't signify it, you actually host me. You carry me. I am inside you, through my Spirit. Focus on me being in you and the life that I want to live in you. When this becomes a normal habit for you and you drink of the Living Water that I provide, and you spend time quietly loving me and allowing me to love you, you will find that our love will build up in you and flow out to others. It's like our love needs to imprint in you.

Yes, love is what you have to judge everything against because our character is love. And, you are right to know that you reject anything, any belief, any understanding, that doesn't align with our love. It's the Royal Law.⁸”

6 – God is primarily interested in the heart, not the mind and the outward show. Spiritual rebirth that brings us back into the Kingdom of Heaven makes it possible for us to obey him without the letter of the Law. (See Romans 7:6 NKJV)

Message #2

“I see every living person as a gem. If you are to properly represent me, you must see every single person you come into contact with as a gem. I do not discriminate and I don’t have favourites. I love my creation, every single component of it. I love all humanity, right now. Not just in the past when I died on the cross for their sins to be dealt with, right now. I love them deeply, passionately. I know you can’t grasp the level of love I have for those who reject me, but you must come to an understanding of it.

Your mission is to reclaim the Earth for the Kingdom of Heaven. That requires you, at a very high level, not to discriminate against people because they don’t love me or because they’re not saved (using your term). This is illogical. If you represent me, then you have to have my heart towards every single person. You cannot hate anyone. You cannot wish anyone to come under what the Old Testament calls “the wrath of God”. Sure, many people are unredeemable, but that’s because of their lack of acceptance of me, their hard-headedness to do their own thing, or to accuse me of the bad that’s in their life. No one is irredeemable because of their past or their present.

You must exhibit my love in this area of your life. It’s not good enough to be nice to those who are nice. It’s not good enough to do good works to those who really appreciate it. The good works that you do must come from me and go to any person who I direct you to – any person.

If Hitler stood before you, in need, and I directed you to supply that need, your job is to do it, and do it with love and joy. Check your heart, check your attitudes. Would you be able to do that, knowing what he did, who he was? I am gracious to every single person. If their desire to do what is unrighteous⁹ or evil, [then]¹⁰ that causes them to miss out on all the blessings that I have for them. You have autonomy, you have the responsibility and the right to make your own decisions, but also to deal with the consequences.

At the cross, I brought in the New Covenant – which by the way, every single person on earth is living under, not just those who are members of my Kingdom. This is the time of grace, grace to every single person, and that grace is not meritorious. It is not based on whether they have done the right thing or come up to my standards. Grace relates to their choices and their alignment with Heaven. You must see that my love extends to every single person under the New Covenant. It’s always been there, but it is now fully extended to every single person.

Sin is dealt with, at the cross. Every single person has the right and the opportunity to accept me as their Lord and come into our family and become a citizen of Heaven. I don’t reject anybody. That doesn’t mean to say that you spend all your time chasing after people, evangelizing them, dragging them into the Kingdom. I’m talking about your heart and your attitudes and your mindsets.

When you truly allow my love to permeate you and flow through you, you will understand what I have just been teaching you.”

“Nothing else should be used to assess anything, but love only, and it has to be measured against my love, not yours.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
