

Is COVID-19 The Lord's Doing

Search the internet and you'll find quite a number of Christians who believe wholeheartedly that the COVID-19 pandemic is God's judgement against the evil that's in the world today. Of course, this is despite the historical evidence that the people of the Earth were very much more evil in their ways on other occasions in the past 2,000 years.

Bible prophecy Christians have their own ideas as well. Here's a couple of their comments as to the reason for this CCP virus (Chinese Communist Party virus)¹:

"We're not in the tribulation period. Scripture is clear that the rapture will occur first. That's not to say things won't get tough prior to the rapture. In fact Jesus taught in the Olivet Discourse (Matthew 24, Luke 21, Mark 13) that there would be birth pains leading up to (and ultimately into) the tribulation period.

Also, THE tribulation is different from tribulation in general. Jesus told us in no uncertain terms that we would have tribulation in this world (John 16:33). But, the judgments in the tribulation period will be progressively worse than anything the world has ever experienced.

I believe what we are witnessing with COVID-19 is part of the birth pains Jesus talked about in the Olivet Discourse (referenced above). In fact, I think it is a major birth pain; as is the locust plague that is ravaging Africa and the Mideast; as is the large number of social uprisings in countries around the world; as is the increase in earthquake activity; as were the record-breaking Australian wild fires; as is...you get the picture. Birth pains increase in frequency and intensity, and they only increase until the moment of delivery.

This particular birth pain happens to be one that the entire world is feeling. Again, increased intensity. It's also a birth pain that has shaken all earthly things. Sports, financial markets, distractions, hobbies, concerts, you name it – have all been shut down.

Those things aren't bad in themselves, but it's as if God is removing any distractions for a moment in history to plead with the world again, "Look up! Look to me! This world is temporary. Think about eternal things. I love you. I died for you. Please don't ignore me. Turn to me now while there is time."

I should also add that this is a pebble in the ocean compared to a yet-future global event that will rock the world to its core. If one rapidly spreading virus can cause this type of global disruption, can you imagine what the rapture will do when tens of millions are removed from the world in an instant? That singular event will set all the end-time events of John's Revelation into motion." ²

"But without God and His inspired Word as our sure foundation, mankind never seems to find the right balance..."

If only we would fear God and consider our ways! ...

Sadly, though, there was nothing in the [President Trump] proclamation³ about repentance from sin or obedience to God's laws, whether spiritual or physical.

God's Word says, "And whatsoever we ask [in prayer], we receive of him, because we keep his commandments, and do those things that are pleasing in his sight" (1 John 3:22). God answers the prayers of those who turn to Him in repentance and faithful obedience. His ears are open to the prayers of the righteous, "but the face of the Lord is against them that do evil" (1 Peter 3:12).

"Here is one of the major reasons why so many prayers are not answered. God will not listen to a person who rebels and persistently disobeys His Word" (Herbert W. Armstrong College Bible

*God is trying to get the attention of our disobedient nations before it is too late. As my father noted in his most recent Trumpet article, "Coronavirus and Other Modern Plagues in Prophecy," we are, even now, in the very preliminary stages of what the Bible calls "great tribulation"! In other words, what we are seeing happen in the world today is just a tiny preview of the curses that will soon overwhelm this planet! (Read Leviticus 26 and Deuteronomy 28.)"*⁴

Even Kingdom teachers with spiritual insight have their own reasoning:

"This is the point at which our finite human minds run out of ability to grasp the fullness of the workings of God. Holy Spirit can enlighten the word of God and speak into our spirit the deeper realities of His works in the world.

Death and disease are always related. In the Garden of Eden there was neither death nor disease. There was also no fear in the garden before Adam and Eve entered into the sin of disobedience to God and His perfect plan for mankind on earth.

Death and disease are direct results of sin, disobedience to God and His perfect plan and way. (Genesis 2:15-17) (Romans 7:13) (Romans 8:2).

Did God send death and disease upon mankind?

Or did man choose death and disease when Adam chose to sin against God and His perfect plan and way?

Yes, God did design life without sin, death or disease. However, man chose death and disease when he chose sin of disobedience to the loving plan of God for man.

Loving God sent His beloved only begotten Son to become a man to redeem mankind from sin and death. The only total solution for sin, which leads to disease and death, is in Christ Jesus. Receiving the resurrected life of the person of Spirit Christ by the Holy Spirit into our lives is the only way of redemption from the curse of death and disease in this life.

*God's word spoken forth created the world and all that is on it or in it. When God spoke, if you eat of the fruit of the tree of good and evil you shall surely die, the curse of death was created in the same way as the earth and the heavens were created when God spoke. Mankind was truly given a free will to choose to obey God and live or disobey God and die. **Death and disease including the coronavirus are a result of not fully accepting the full measure of the redemption and restoration in Christ Jesus by fully abiding in Christ and Christ abiding in us.**"*⁵

So what do we really know? More correctly, what has our King told us about the virus pandemic?

Those who connect with Heaven through prophecy and spiritual communication have been given an insight into its reality.

*"Chuck Pierce...prophesied about this coming last September...[H]e prophesied we would face "a massive plague-like invasion that would test us until Passover" and that "nations would come into turmoil until that time"."*⁶

CCOP⁷ took the Kingdom action and asked this question: "Lord, what is it that you would like to tell us about the COVID-19 virus that's spreading around the world at the moment?" The purpose of this enquiry was to find out from our King what is really behind the pandemic. Here's an extract from one of the 2 messages that were received straight from from The Throne in answer to the question:

“My sons, those who align with Heaven, those who allow me to grow them and develop them, mature them so they can operate as sons and learn to operate as priests, and learn to operate as kings, these bring fear to the enemy. Fear in the form of, “Oh, oh. All the work that I have done in the past is about to be uprooted. I need to change and move into greater [military]⁸ offence”. This move of the enemy into being more offensive, more attacking, results in chaos increasing around the globe. His people, his pawns, will follow his leading. The planet which is still fallen and the people who are still fallen will work with the enemy. He will use them and chaos will increase.

Can you see now why I said the future will be dark. But bear this in mind, it will not be dark as preached by the Bible prophecy teachers. It will become dark as I allow it. It will become dark because of the enemy’s revulsion at the fact that my sons are gaining strength to take over his territory.

Do not be surprised at what is coming. Do not be surprised that the coronavirus is causing deaths and sickness around the Earth. This is just a little taste of the things that are ahead. I have warned you about this. I gave that warning not to cause you to be anxious, but to prepare – most importantly to prepare yourself spiritually.

If you want to be successful in this coming time, you need to yield to me, completely surrender to me so I can do the work in you, in your spirit and in your mind and your soul and your body, that needs to be done so that you can rise up and take your place in my army. Those who don’t take on the apprenticeship that I offer will struggle with what’s ahead. Countless many will refuse to join me in what I’m doing. That is their choice. But for those who join me, the road ahead is hard, but it is full of glory.

I gave you advice to align with Heaven. This is the most critical key for your lives from now on. You can only align with Heaven and align with me when you do two things. One, completely surrender your life in its totality to me and be prepared to give up everything. Be prepared because I may not ask you to give up everything, but it’s the heart attitude that I’m looking for. Secondly, you mustn’t have a divided heart. A divided heart has more than one loyalty. I must be your greatest love. Your heart must be towards me only. I must become your Beloved. Your love for your family and for those things that are righteous⁹ to love should not impinge on your great love for me. These two keys will allow you to align with me because your heart will be mine.

Remember, I don’t force you into anything. It’s all about the heart, and you must surrender that to me. You must willingly want it, above all things, in the same way as young lovers give their heart to each other in the early stages of their courtship. So that is how you give your love to me. It’s an all-consuming love. Life still goes on [and]¹⁰ there are other lovers that are in your life, but it is tiny compared to your love for me.

I have so much more to tell you. Listen. Open your ears. Keep them open 24/7. Allow me to speak to you at all times and in all ways, even during your night sleep. You don’t have to spend time in silence for hours or in prayer and fasting to hear from me. All that you have to do is have me as your Beloved. Desire intimacy with me, to be one with me, and open your ears and learn to hear all day long. I will speak to you in many ways, until you mature, and I don’t need to speak through other things such as nature, music, books, videos, the Bible, [etc.]¹¹. When we become one, our hearts will be one, our minds will be one, and spirit-to-spirit communication will be normal.

Start now. The chaos that’s ahead will need you to be totally reliant on me, out of our relationship, in the same way that a nation totally relies on their defence force to protect them from the enemy that may be attacking them. They totally surrender themselves and go about life with the defence force taking on the role of their defence. So allow me to be your defender. Allow me to prepare you for the chaos that’s ahead. And by the way, you must approach this time of darkness with joy. Not joy that it’s happening, because it will impact your families and your lifestyle. But, joy in knowing that the enemy is stirred up because I have stirred up my sons to begin the final march towards the spreading of my

Kingdom throughout the whole Earth. It will take quite a large amount of time for this to occur, but my joy in you will keep you stable.

If you allow negativity in any way to creep in, the enemy will use it, and you will be deviated from your tasks. My joy, joy in me, joy in where I am taking my people, will keep you more even-keeled and allow you not to stumble.

*Keep listening. I have a great deal more to pass on to you when the time is right.”*¹²

Jennifer LeClaire confirmed CCOP’s message with the revelation she was given:

*“The Lord showed me the enemy engineered something to bring fear to the nations and disrupt economies around the world, and that this would not be the last such commotion. This is not the first time we’ve seen a deadly virus and it won’t be the last time. As a matter of fact, we will see more of this as time goes on.”*¹³

So, there you have it. The COVID-19 pandemic is part of the enemy’s chaos to counteract the progressions are making for the expansion of the Kingdom on Earth.

It’s not God’s wrath, that’s Old Covenant. The world is in the New Covenant era now, even if most of the people inhabiting the planet haven’t sided with Heaven so they are under the blessing of the NC. Don’t believe me?

“At the cross, I brought in the New Covenant – which by the way, every single person on earth is living under; not just those who are members of my Kingdom. This is the time of grace, grace to every single person, and that grace is not meritorious. It is not based on whether they have done the right thing or come up to my standards. Grace relates to their choices and their alignment with Heaven. You must see that my love extends to every single person under the New Covenant. It’s always been there, but it is now fully extended to every single person.

*Sin is dealt with, at the cross. Every single person has the right and the opportunity to accept me as their Lord and come into our family and become a citizen of Heaven. I don’t reject anybody.”*¹⁴

What he does when the enemy produces something or generates events and circumstances is the same as he does with our mistakes and errors – he uses them for his own plans. This can be circumventing them or using them as part of our personal transformation processes. He’s in ultimate oversight, not manipulating.

Whether the novel virus man-made is another question. However, the enemy’s pawns are using every bit of the enemy’s chaos to auger for the introduction of the steps in Satan’s plan to globally control the world with total domination. Check out these references:
