

Are We Ready to Have Outsiders Join Us?

This is an important question for us as we've been shown that we are to prepare for an influx of people wanting to come into the Kingdom. These will need to be brought into community, disciplined and trained as sons.

Spiritual awakenings are taking place around the world right now as a consequence of the coronavirus pandemic.¹ This is just the beginning as everything is shaken in the world system.² Expect the Spirit to work on people's hearts more and more as we move through this decade, resulting in an increase in the Kingdom population on Earth.

Be prepared to answer questions as they will have many that they want answers to. This will require each of us to have an excellent grasp of spiritual principles, Kingdom principles, and protocols for living the Kingdom live in the world system.

REMEMBER: Prophecies have been released on a number of occasions in the past 30 years indicating clearly that the general public will line up to seek our wisdom and knowledge. This will be nothing that we do. It will happen because we've been reprogrammed and allowed ourselves to be made ready for them.

This will also mean that our gatherings will need to change focus so we are ready for those who want to join us.

QUESTIONS: * If we brought a newbie into our gathering, would they think we were a club?

* Would they detect that we were spiritual people gathering for spiritual purposes?

* Would we have to stop what we do and change?

This is a significant question that we have the responsibility of supplying the answer our King wants from us.

Another important point to make is that it will be the responsibility of each member and family to be Kingdom tutors in the near future. This will mean opening our homes for visitors who want to hear the Kingdom message. It will also mean that your homes will be the locations of new Kingdom Communities which you will run by yourselves under the oversight of our King.

Are you ready yet?
