

# Building Spiritually Your Own Way is Unsound

Lana Vawser had a dream of going deep down onto the bottom of the ocean where there was a door.<sup>1</sup> The door represented the ancient paths<sup>2</sup> and the narrow gate<sup>3</sup>. She described the dream as an invitation for all of us to go into the ‘hidden place’:

*“It was the place of going deep in that hidden place to FIND HIM and His heart. In this dream at the ocean floor was a door and the sense surrounded me SO strongly that this door even though it is AVAILABLE to many, not all will find it. That door is found by those who aren’t promoting their own names, their own ministries, have agenda to glorify themselves and walk in pride, but it is found by the HUMBLE. It is found by those who are truly seeking the heart of Jesus and to KNOW HIM and those whose YES to Him is their greatest priority. What also struck me deeply in this dream was that in this place you are not ‘seen’ by others, you are only seen ‘by Him’. It’s a deep place in Him. To go to the depth and find this door of invitation a dying to ‘needing to be seen’ has to take place. It’s the place of joy that is found in knowing that you are seen and loved by the One who is your greatest love.”*

The Lord showed her that there’s a danger of us missing this door as well as the impartation that he’s releasing because we’re “busy building”. She heard those words very loudly “BUSY BUILDING”. This is referring to being spiritually busy. We know we’re to be about Father’s business, but we’re not supposed to be busy building our own platform or do our own thing.

The Lord spoke this to her recently:

*“There is a holy hush that I am inviting my people into. Be still, be silent and listen to what I am saying. Don’t rush to release my revelation or parade my revelation, for there is precious deep intricate revelation I am releasing to those positioned ministering to me first. Listen more than you speak right now.”*

The Lord showed her that he’s looking for those who have genuinely leaned into him and listened to him. These are those who have taken the time to ‘come aside’ and have encountered his heart. These were able to hear what he was saying about what is coming, and about the wisdom we need to navigate the times ahead.

The Lord showed her that this invitation will provide details of what he’s going to do and what building with him will look like – it will look very different to how it has been. If we haven’t positioned ourselves to hear and to receive his wisdom concerning the new thing he’s going to do, then we’ll ‘build’ as we have always done it.

He’s going to build in a new way. There’ll be a re-positioning, a restructuring, and many will be offended by it. To be ready for this change, you’ll have to have spent your recent past with him, receiving his heart and his wisdom for what is to come. You’ll then have “eyes to see and ears to hear” so you know what it will look like.

Laurence
