

We're Not to be Ignorant of the Devil's Schemes

Paul wrote that we're not to be ignorant of the devil schemes.¹ How do we do that?

The basic principle is to ask our King and allow him to train you. He has all the knowledge and he really does want to share it with us. We have access to the mysteries of the Kingdom² and anything else that's relevant to our role as sons and as managers of the planet.

Here's an example of the transfer of such information us. It's James Goll, a seer, talking about a vision he had which informed him of the Devil's strategies at the present time. The quotes below are extracts from his video conference with Sid Roth on 26 April, 2020 when he talked about what he saw.³

(NOTE1: Where 'and' starts a sentence, these have been removed for easier reading.)

(NOTE2: Sid Roth's interjections have been removed. Hence the gaps between the quotes.)

“About two and a half weeks ago, in a very vivid dream, I had a book come and appear before me. It had a dragon on the outside of it. The title of it was 'The Global Dragon Warfare'. Now, it was a manual. It flipped open and I could read the table of contents. There were twelve chapters in the book, but it was 'The Global Dragon Warfare' manual. I opened it up in the dream. I go to the table of contents and there were twelve (we could call them stages or phases, but in the manual they were chapters) in yellow highlight marker. It highlighted stage seven and my 'knower' (see, this is like a combination: seeing, hearing, feeling, knowing). So I saw, dream, dragon reddit⁴, 'Global Dragon Warfare' manual. Flips open. Table of Contents. I see 12. So I saw that there would be 12 stages or phases, highlighted in yellow. Stage.”⁵

“So we can see into, hear into, peer into this schemata⁶, the blueprints of the enemy, at times. So that's what this is. So I saw a manual of spiritual warfare (is what you could call it) of a global nature, 'The Global Dragon Warfare'. I opened it up, highlighted on the seventh chapter or seventh phase it said 'Global Pandemic'. It was highlighted because that is where we are. But, stage six was 'The Scourge of Fear'. That is what was being released to lead up unto the seventh stage which is the global pandemic. I saw into the eighth and it was 'Global Economic Collapse'. Now, what do you do with these things? So, yes, that's just happened two and a half weeks ago. I have submitted this to prophets, intercessors, spiritual warfare experts, and we have multiple confirmations about the war with the Red Dragon.”⁷

“Let me touch the fear piece. Because in the dream (again, I see things, I hear things, I know things and after I wake up out of these kinds of level of encounters my room is often charged with a presence of the Lord. This is how I know that these are dreams from God, not the devil. See, I know they're from God because I am catapulted and the room was charged with the presence of destiny, of destiny.) So, I was peering into the enemy's plans to cut them off, to delay them, or actually even stop the progression. Now, (but what you said is the fear factor) the very foundation of this global dragon warfare was this is. It's amazing. It said, “He who teaches people to fear, rules.” It was an underlying philosophy. “He who teaches people to fear, will rule.” I'm going to say it again, slower, because this is vital for people to grasp. “He who teaches people to fear, will rule.” That is the underlying whole foundation to this global demonic assault. It is to create the scourge of fear so even a pandemic will loom as though it is larger than it actually even is.”⁸

6 – MEANING: ‘A representation of a plan or theory in the form of an outline or model’. www.lexico.com/en/definition/schema

7 – 17:45 to 19:10

8 – 20:00 to 21:51

“See, God knows this, but the devil knows in part. But he only knows in part. So, but the enemy knowing this part, the foundation, the philosophy is “He who teaches”, or let's say cultivates a culture of fear; “He who creates a culture of fear will ultimately rule.” So that is what the spirit behind that the spirit of fear; behind global control. This is the issue. Behind global control there is always a culture of fear.”⁹

You can see from this example how a great deal of detail can come from allowing the Spirit to inform us of the enemy's schemes. This is one of many ways the information can be provided to us from the Trinity.

Maybe now you can see why in an *ekklesia* or Kingdom community it's critical that we share all our revelations.¹⁰ This is the way the King can use each one of us to provide the pieces for the puzzle about the 'unknown quantity' that's opposing us.
