

# What Impacts Australia?

(Prophetic message recorded on the 4<sup>th</sup> June 2020)

**Question:** *Lord, how much does prayer figure in how the Kingdom impacts Australia?*

## Message

“That’s an important question because I need to set the priorities right. Prayer has a place. Prayer, in essence, is your communication with me, and that communication must predominantly be an intimate one. You are a spirit being, connected with me, a spirit being and your King. This should not be a kindergarten message for you because I’ve been mentioning to you and schooling you in the need for intimacy with me. This is my heart’s desire: To be connected with you intimately so that we know each other. This normally comes out of the respect a person has for another, but with us it’s a love relationship. I love you with a strength that can’t be measured by you, and, I created you for a love relationship.

You may be our ambassadors, you may be our vice-regents on planet Earth, but you’re primarily family. One of the main focuses you need to have in your life in the Kingdom is fulfilling your role as sons, as family. This is a new concept for many of you because religion has taught you that you have to serve me, more or less, as a slave. But, you should remember that I told my disciples that they were my friends, not my servants. You are beyond that. You’ve come into the Kingdom as sons, and your sonship is your focus. Of course, that means that you focus on me and Kingdom business, but your sonship is who you are. That’s your identity. You’re a son of the Most High God.

If you frame your communication with us from the perspective of sonship and begin afresh from that point of view, you will be more in line with the way we want to communicate with each other. To do that, you will need to divest yourself of your religious teaching and incorrect attitudes which see your prayers as requests and intercession on a constant basis. This will be hard for you, but start by being thankful. Pour out your heart in thanks for what we have done for you, are doing for you, and are achieving in your life. When you’ve done that, talk to us, share your heart with us, share your love with us. You will start making progress if you operate with those two starting points of intimacy and thankfulness.

Just think of what it is like for newlyweds, and that will give you a better idea of how we are to relate. Newlyweds want to be together with each other. They want to share and talk with each other. They want to get to know each other in a deep way. They want to experience things together. They want to have life together. Does that sound familiar? That’s what I’ve been endeavouring to teach you about our life together.

So that’s where the starting point of your prayer life should be. And again, prayer is your communication with us, and it should be 24/7 spirit-to-spirit communication. Allow your spirit to communicate with me rather than your mind and your emotions and your speech. Settle and rest, and just be with me in my presence. You know what that’s like. You’re able to come into my presence in structured ways, and you know how wonderful that is, but my presence is available to you at any time and anywhere. If you come into my presence and soak up my presence and start communicating with me, you will find that what you say and you receive from me is at a deeper intimate level. It’s a higher plane than standard prayer time.

Prayer requests and intimacy play a part in changing the atmosphere in Australia. The key, however, to seeing the spiritual atmosphere change in Australia (as I have said many, many times), is your alignment with me. Your heart, mind and will must be in alignment. Not just your head, but every part of your being must be in alignment with me. When this happens corporately, with a large number of you, it does something in the spiritual atmosphere. That’s because when we come together there’s a force multiplier effect – greater numbers exponentially increase the impact.

This impact doesn’t even require spiritual warfare. What do I mean by that? Just imagine Alexander the Great and his large armies<sup>1</sup> coming against a small army, an undisciplined army. What do these undisciplined soldiers see? They see an array of strength that causes them to tremble with fear, break ranks and flee. This is the picture you need to have of us together in Australia. When all of you align with

---

<sup>1</sup> – Alexander’s army was made up of around 50,000 men, an enormous number at that time when great cities had a population of 10,000 or 20,000. His force is regarded as the first professional army. [factsanddetails.com/world/cat56/sub366/entry-6172.html](https://factsanddetails.com/world/cat56/sub366/entry-6172.html)

me, it's like Alexander the Great's formidable army *en-masse*. That's the impact that it has on the Kingdom of Darkness.

Spiritual warfare has its importance in your life because, as you align with me, the enemy will increase his sorties against you. As you resist – which is your prime strategy – and stand in your status as a son and in your righteousness because of my blood, you withstand him and he flees. For Australia to have a change in spiritual atmosphere so that the Kingdom expands and lives are touched positively requires us to be an army in full array and properly disciplined. Now, this doesn't require any religious activity. Your alignment with me produces that army because your spirit combines with my Spirit and the large numbers of my people who join creates that bulk of spiritual power.

There it is. To change the spiritual atmosphere in Australia, my people, in large numbers, need to align completely with me. They need to resist the enemy in their life, which is their spiritual warfare. They need to connect with me in intimacy, and eventually oneness, so that the bond between us is strong and stable. This is essential for Australia to move forward in my plans. And by the way, my plans are on top of this. This alignment with me is fundamental spiritual activity. What you do for me and my Kingdom, how the Kingdom advances, and how my plans are put into place, is in addition to this. So, you must get your foundations right.

Go over what I've said. Make this a priority in your life. See to it that you align with me with your whole being. Yes, and that means being prepared to give up everything for me. Surrender your whole life. You thought you'd done it already, but let me advise you that you need to ask yourself these questions, "Is there anything I don't want to give up" and "Is there anything that I would have difficulty giving up"? That will tell you where your heart is."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
