Message

“I am calling you out of the world system. I’ve been doing that for some time now. I’ve given you the teaching and the understanding you need, that the world’s system – that is, the system that man has made – is not the system that you are to live under. You are sons, Father’s sons. You live in my household. You live in my Kingdom. Have you forgotten that?”

It’s very easy to drift off with the cares and concerns and life in the natural, but when you were spiritually reborn, you came into the Kingdom of Heaven as Kingdom citizens. Your allegiance is to us. The system that you live by is our system. You know that in the natural, a person is divided when they have dual citizenship. They usually gravitate to one of the two, and in circumstances, one of those two will be stronger in their mind and in their heart. It causes stress in relationships, and stress and anxiousness in their heart. Don’t you see that you can’t have citizenship in two systems because your heart will be either divided, or in one and not the other? In the same way that I am not looking for a divided heart with your love, I’m not wanting to see a divided heart with your loyalty. You are Kingdom citizens. You are members of our household. You live in the world and are influenced by the world’s system, but you are not to subscribe to that as the benchmark and the guiding principles of your life.

You say, “That has never been the case. I’m not in the world system”. Truly, you do not understand that the world system influences your every breath. It’s the way you live. It’s the way you think. It’s the way you speak. It’s your heart attitudes. This is why you need total reprogramming and retraining in the things of the Kingdom. It’s not until you are on our ‘side of the fence’ that you will see how much of the world system is in you and controls you and determines what you do every day.

Now, you can’t leave the world. You are not to leave the world. I make it even clearer, you are not to want to leave the world, because you are my lights. The Kingdom of Light is in the world, which I initiated in my people with my blood sacrifice and the introduction of the New Covenant, with the Age of Grace, the New Covenant age. You are my lights. You are to shine brightly, and that is not a religious statement. You are to represent us, and the light that is within you, that is from us, is supposed to radiate out from you. And, through the power of the Holy Spirit and the presence of the Holy Spirit, you are to impact the people around you, your cities and your culture.

My first followers turned the world upside down, but my people today are complacent. Why? Because they are part of the world system, not of the Kingdom system. True, they are in our family, but their allegiance, by the way they think and live their lives, is to the world system. This is a critical point. Anything that is not of the Kingdom is of the world system or the Kingdom of Darkness. In truth, the world system is part of the Kingdom of Darkness because the enemy has worked through people to produce the world system that’s in existence today.

It is true to say that there are some aspects of the world system that I’ve been able to impact through my people, but it’s tiny. When you really understand what the world system is, it’s insignificant in number, but, not quite so insignificant in impact. Don’t look at the impact that my people have made in the past, which is present in the world system around you. Focus on being Kingdom citizens, being part of the Kingdom system, the system of Heaven, and set your mind and your heart to impacting the world around you by living as sons, representing us.

When I say come out of the world system, I mean bring your whole mind, attitude and heart out of the world system around you, and replace that with the system of Heaven. And by that, I don’t mean heavenly things that you’ve been taught. I mean, live the spiritual life of sons of Almighty God. Allow us to train you, to mold you and shape you, teach you, de-program you and re-program you, so that you can fully represent us. I demonstrated this as the man, Jesus (Jesus of Nazareth). I am your model, your role model. Look to me. How did I live my life? Putting aside my Kingdom assignment, the reason I came to Earth,

put that aside and look at how I lived as a spiritual being. In summary, I lived in total reliance on Father. I lived in oneness with Him, and I was only about His business. I lived in the world, but I wasn't part of the world, as in, part of the world system. I totally remained in Father's family and in the Heavenly system on Earth. You can do it. My Spirit is inside you. Your spiritual DNA has changed. You are able to do it, but it requires you to live by your spirit, not by your emotions, your mind, your will, and definitely not by your soul.

Cease having a divided heart. Come out of the world system. Change yourself. Determine to make the changes within you. Surrender to us and allow us to change you from the inside out. You do your bit, and we'll do the rest. Now you can see why I asked you to make your contracts with others covenantal and not contractual. Contracts are the world system's way of people's dealings. Ours is a loving, selfless way that relies on us, the supply of Heaven, the supply of the Kingdom, to be your resource.

Enjoy life. We gave it to you. Live it for us and through us. Live it for your families and for your people, the people in your society. Connect with those who are in your street or in your high-rise building, and let them see that the Kingdom life is something worth having. At the moment, they see it as religion and they don't want 'a bar of it'.

I came to give you abundant life. I came so that you will thrive, not survive. I came so that I can change the world through you. Are you ready for all this? If not, then you've missed your calling.

Be alerted to the fact that the restoration of all things is on the agenda and making progress. Join us. There are great times ahead."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
