

# More on this Current Time in the Kingdom

(July 2020)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### Wendy M. Allen

(★extract from a prophetic message published on 28-7-2020)

“Many of My ones who are pioneering the **new era** church are going to be given chariot wheels of fire!”<sup>2</sup>

### Alane Haynes

(★extract from a prophetic message published on 21-7-2020)

*“My kingdom is still at hand in the midst of chaos. Keep your eyes on Me and move at My leading through doors that I open. You will receive My favor and provision to accomplish My mission.”*<sup>3</sup>

### Bill Burns

(★prophetic downloads recently recorded)

*“Many of you, My people, do not have the understanding of the times and season in which you live. Therefore, you must reach out and come to Me. You must ask for and acquire the wisdom that is available to you at this time, so that you can get on board with what I am doing. You can be recipients of the good works that I am doing and receive the blessings that I desire to bring to you. Walk in a position of revelation and knowledge, peace, joy and safety.”*<sup>4</sup>

*“Stay in touch with Me so that you can know what I am doing and understand the directives that I give you for your journey. Don't try to do your own thing. If you try to live without Me you will wind up in the weeds of this life, make wrong judgments and make mistakes. When you stay connected to Me, I can guide you through perilous times and the maze of circumstances that are ahead of you. Be one with Me.”*<sup>5</sup>

## **Marsha Burns**

(★prophetic downloads recorded in June 2020)

*“Take care of the details of your personal life and do all that is necessary for you to stay connected to Me, and everything else will come into order. Many of you have concerned yourself with issues that you have no control over. You must release those worries to Me and be at peace in your soul.”*<sup>6</sup>

*“Beloved, it is My desire that you separate yourself from the works of the flesh and allow My Spirit to dwell in you richly. **Become one with Me** and be renewed and strengthened by the power of My presence. Choose the path of righteousness, peace and joy. Stand firmly on the rock of salvation.”*<sup>7</sup>

## **Jamie Rohrbaugh**

(★extract from a prophetic download published on 9-7-2020)

*“I have always believed in you! I have always known how much greatness was in you, and now I am bringing you into it. The place of your greatness is great because you are going to reflect my greatness. In this season, you are going to show the world who I am. I will help you! You are going to reflect Me with skin on, and you will do so from a position of safety and refuge that you now find under My wings.”*<sup>8</sup>

## **Brian Simmons**

(★extract from a prophetic e-article published on 9-7-2020)

*“I have wisdom beyond compare—wisdom I will share with you. My outlook on your life is from a perfect vantage point. When you spend time with me, your heart beats in harmony with mine. You feel the breath of my Spirit, gently easing you into alignment with my will. **You will fulfill your destiny when you stay in tune with me. I want you to see your story through my lens**—each chapter flowing with grace and glory. I want to establish you in my love and give you the courage to dream again. Come and find your strength in me. Come and let me write my name upon your heart.”*<sup>9</sup>

## **CCOP**

(★extract from prophetic download of 11-7-2020)

*“You must learn to operate in Kingdom fashion. This is part of the extended training that I'm bringing to my people on the Earth. It's nothing really new, but it's something that's been lost, and as my people have imbibed, by osmosis, the attitudes and cares of society, I have to reprogram them. So I'm speaking this out around the world for those who will listen. It is pretty simple. When you're in a transaction with another person, your attitude must be that both of you benefit at the maximum level, even if that means you have to give more than the other person. Put yourself out. If you don't put yourself out (which you know is not what you have to do every single time), if you don't put yourself out some of the time, you're exhibiting self-centredness, and there's no place for 'self' in the Kingdom. True, you look after yourself, but self-centredness is looking after yourself at the expense of other people and principles.*

*Now, by covenantal<sup>10</sup>, that's just a word I've chosen to use because you actually don't enter into a covenant with a person, in the fashion of ancient times. But I want you to see it not as a contract any more – i.e. see it with the heart of a covenant person. Now, those covenants that you make with others are not to be 'out*

9 – Brian Simmons (9-7-2020) “I Hear His Whisper...” “I will write my name upon your heart.”

10 – See “Covenant-Minded Transactions”

[canberraforerunners.org/wp-content/uploads/2020/07/Covenant-Minded-Transactions.pdf](http://canberraforerunners.org/wp-content/uploads/2020/07/Covenant-Minded-Transactions.pdf)

*dated' and seen as ancient covenants. That's the wrong concept. This is modern times and I'm looking for a heart attitude. I'm not looking for legalism which says it must be a contract and it must be done this way or that way, and it must be stuck to or there's death if you break the covenant. No, put that aside. Wipe that from your mind and approach it as I said, and as you know, symbiotically, a transaction that is mutually beneficial. It will bless my heart if you move more and more into this way of operating and you demonstrate it to the rest of society. They may think you're a fool for doing it, but 'stick to your guns' because if you operate that way with other people, I will 'pick up the slack'. Anything that is detrimental to you, anything that you lose out of it, I will organize for it to be supplied, or, I will change the circumstances so it doesn't need to be supplied in the first place.*

*Remember, the Kingdom must be your resource supply, not yourself, not your own nous, your own skills, your own knowledge. You are to rely completely on the Kingdom to meet all your needs in every area. Now, this is relevant for Australia as well. Australia is behind many of the other western countries. There is less of a battle for you to work covenantally, but it will still be hard. There will be opposition within yourself. There will be opposition from other believers. There will be opposition from your family. There may even be opposition from the bank and financial institutions. It will come from all directions, but like everything in the Kingdom, this is a Kingdom priority, and that's the way you are to move. That's the way you are to operate. I am with you in this. If you can't do this, let it be known that you're relying on your own abilities and not on my ability to meet all your needs.*

*Cast off the mindsets that you currently have about "me, me, me, me, me" and about the fear of being diddled in a contract. Listen to Me. Ask Me questions. Follow my instructions. Operate covenantally and you will see benefits, benefits that will open doors for you, and benefits that will shock you by the wonder that comes out of your transactions." <sup>11</sup>*

(★extract from prophetic download of 12-7-2020)

*"I am calling you out of the world system. I've been doing that for some time now. I've given you the teaching and the understanding you need, that the world's system – that is, the system that man has made – is not the system that you are to live under. You are sons, Father's sons. You live in my household. You live in my Kingdom. Have you forgotten that?*

*It's very easy to drift off with the cares and concerns and life in the natural, but when you were spiritually reborn, you came into the Kingdom of Heaven as Kingdom citizens. Your allegiance is to us. The system that you live by is our system. You know that in the natural, a person is divided when they have dual citizenship. They usually gravitate to one of the two, and in circumstances, one of those two will be stronger in their mind and in their heart. It causes stress in relationships, and stress and anxiousness in their heart. Don't you see that you can't have citizenship in two systems because your heart will be either divided, or in one and not the other? In the same way that I am not looking for a divided heart with your love, I'm not wanting to see a divided heart with your loyalty. You are Kingdom citizens. You are members of our household. You live in the world and are influenced by the world's system, but you are not to subscribe to that as the benchmark and the guiding principles of your life." <sup>12</sup>*

(★extract from prophetic download of 17-7-2020)

*"I created you to be a blessing. This is my heart: I have a blessing heart. You, my people, are my representatives on planet Earth. In the outpost of Heaven where you live your lives, I created you for the purpose of overseeing the planet, but your oversight is to be one of blessing, not of pillaging and destroying. The enemy kills and steals and destroys and brings chaos. So mark my words, analyse your lives, and when you see anything that is destructive, anything that is pulling down rather than building up, anything that is chaotic, you are aligning with the Kingdom of Darkness, not my Kingdom.*

*You have the propensity to see evil as coming from the enemy, but you need a paradigm shift. You need to see anything that is not a blessing to others and to the planet as from your base nature or from the Kingdom of Darkness.*

*Now, I've given you the planet to oversee and to use the resources that's in it. I've given you plant and animal food to eat. These are all righteous. But much of humanity's use of the planet is unrighteous because*

*it doesn't align with the way I like to see things done. You will notice I didn't say, "I want them done". That's because I expect it of you. You are my representatives. I created you for the position of oversight, as planet managers, and I have placed in you the desire to work in alignment with us, hand-in-hand with us, to bless the planet, to bless all life, to be a blessing. But this is not happening. Human lives are spent on self-service. The majority of life is self-centred for them. This is an error. "*<sup>13</sup>

### **Katie Barker**

(★extract from a prophetic download published on 27-7-2020)

*““My thoughts are higher and My ways are higher. My people need the wisdom of heaven to navigate this hour as many are in a time of decision...Wisdom is needed in how to step on My leading. Wisdom is the key to maturity. This is the time where I am maturing My bride and taking her deeper. Where are those that are crying out for My wisdom? Those who long to walk in step with My ways, ask for My wisdom. Those who are mature know the critical need for wisdom.*

*Those who walk in wisdom know when to wait and when to step, and how to step. They understand the importance of pausing and waiting on Me for more detail and direction, as they know the steps they then take will be so much more targeted, effective and void of hindrance. Those who walk in wisdom are those who are mature; they are those who feast on My Word and have an intimate understanding of My character and ways based on journeying closely with Me...*

*The gift of wisdom has been underrated and overlooked in My Body, but those who operate in this manifestation of My Spirit will be sought after in the time ahead. These individuals will be brought 'center stage' as wisdom will be critical in this hour. Many have asked for this gift and I am releasing this gift to them in this hour. There are those who are already operating in this gift and are faithfully stewarding what they have been given and there are some who will receive a double portion of wisdom at this time. "*<sup>14</sup>

## **OPPOSITIONAL ADVICE**

### **Laurence Smart**

(★The following was dropped into my spirit on 20-7-2020. I felt that it was also for the wider family of believers, so I share it here.)

*“Things will come upon you suddenly. You must be prepared for these.”*

### **Bill Burns**

(★prophetic downloads recently recorded)

*“Do not be troubled nor allow anxiety to torment you. Come to Me this moment where you and I can be one. In that position of unity you will be strengthened, healed, and encouraged. You will receive the wisdom that you desire and need. Come and hear My voice, for I will reveal the direction that you should go. I will show you. I will keep you on the path of righteousness and cause you to know Me better. So, lay aside all hopelessness, all discouragement, all worry and all anxiety and come be one with Me. "*<sup>15</sup>

*“In a visionary moment I could perceive the darkness of the world closing in so as to obliterate or choke out the light of God. I heard the instruction of the Lord that it is necessary to push back the darkness with our faith and the understanding of His word. It is imperative that we walk in the light of truth. To not walk in light is to slip into obscurity and gloom. We must set ourselves to watch and be vigilant to keep ourselves in the safety of His presence. "*<sup>16</sup>

(★prophetic downloads recorded in June 2020)

*“Do not let your guard down. Set your mind and heart to maintain self-control because risks will be greater than rewards. Stay alert and discern your environment and spiritual atmosphere. Your avenue of safety is staying close to Me and allowing Me to guide you through this minefield. Believe and trust.”*<sup>17</sup>

*“Stay calm and keep your wits about you when everything around you seems to be unstable and uncertain. Do not forget that I am the place of safety that you can run to--a place where you can access direction, guidance and wisdom. I will surround you with a hedge of protection and keep you as the apple of My eye.”*<sup>18</sup>

*“The winds of change are blowing. For those who have made Me their first love, the changes will be positive and fruitful. But for others who have shaken their fists, the changes will only bring more difficulties and stress. Sowing and reaping is a spiritual law, which cannot be broken. What you give, whether good or bad, will come back to you multiplied.”*<sup>19</sup>

*“Though circumstances seem uncertain in some ways, you can find your stability in your faith in Me. I truly am with you. All you have to do is keep moving forward. Take the next step. Do the next thing. I will help you with every decision if you will rely on Me. Don't get stuck in apprehension.”*<sup>20</sup>

*“Set your forehead like flint and move through these times with determination to gain the victory in every situation. Refuse to become part of the flow of dissipation, but rather establish and maintain a standard of excellence both spiritually and naturally. Reach higher. Be stronger. Go further. The separation between righteous and unrighteous will continue to widen and become more pronounced. Choose the side of right and good.”*<sup>21</sup>

*“The best is yet to come, but the worst is not over. It will get worse before it gets better. You must stay the course by finding your stability in Me and trusting that I will lead you through this valley of the shadow of death. The days are treacherous, but you will find a place of safety with Me.”*<sup>22</sup>
