

# We Must Understand that Jesus is Reigning Right Now

## The throne isn't empty

We must understand that Jesus is reigning right **now**.

It's a lie to think he isn't in charge of all things – right now.

So how come everything seems to be a mess?

That's because he's chosen to work through humans who he created to manage the natural realm for him and we aren't doing it right. We're making the mess ourselves.

Did you get that? We're the ones the Trinity is working through to manage the affairs of the planet so that their kingdom manifests here as an outpost of Heaven. We have a greater responsibility in this matter than we think because we are connected to them and have no excuse. Actually, every single human being has this responsibility, not just sons.

Basically, **the mess the world is in is our fault**. Not because we haven't turned enough people into Christians. That's a wrong mindset. No. We're supposed to be carrying out Heaven's plans for the Restoration of All Things so that the entire Earth is a wonderful place. Unfortunately, we've been too busy with our own lives and waiting for Jesus to come back to fix it all. **"BIG MISTAKE"**<sup>1</sup>.

Jesus ascended into Heaven and is seated on the throne where he's governing the natural realm through his people. That's the reality, not what we've been led to believe.

If we don't understand this situation, it 'cripples' our effective Kingdom life. It's why we are derelict in our duty as planet managers.
