

An Unusual Thing Happened Last Week

It's normal for me to have a thought deposited in my spirit and then have it confirmed somehow within the next day or two. The thing that was unusual this past week was that I had **3** things deposited which were intended to prepare me for two important documents that I would receive later in the week.

It's interesting how I get confirmation for what I'm taught in the spirit. I can get the confirmation in an email or article that I delay reading for a week or so. In the case last week I got the deposits and then read an email which was published the following day – well after I was given the 'heads-up'.

This is how it unfolded last week.

One morning during my intimate time with the Trinity I received this:

- **(1)** “The cross has purchased what Adam lost”.

It was more of a thought rather than a deposit in my spirit, however, I know that my spiritual insight can be an inspirational thought.

That same morning, on my subsequent walk, I received this:

- **(2)** “Expect forthright statements from the Trinity in the messages they will be sending out”

This information was more of a 'knowing' rather than a distinct deposit.

The next morning on my walk I suddenly had this drop into my spirit 'out of nowhere':

- **(3)** “People will believe whatever is repeated enough”

The following day I received an OpenHeaven Digest email from Ron McGatlin with two important articles in it.

Ron's article, 'Changing the World to the Kingdom of God - part 8', was completely on the topic of deposit (1).

In the article he stated:

“The human mind will believe whatever it hears and/or sees repeatedly, especially from a source deemed credible. Even the craziest lie will become truth to the human mind if it is heard or seen repeatedly over time.”

This was in the vein of (3) and confirmed it.

In the OpenHeaven Digest there was a prophetic message, 'Be the Storm or Face the Storm', which was received by Johnny Enlow. In it he was given numerous statements like this one:

“No more hunkering down. No more fear. No more dread. No more waiting for the other shoe to hit. No more passivity. No more pretend meekness. No more patronizing darkness. No more tap dancing with evil in government and calling it honor. No more. No more. ENOUGH!”

This was confirmation of (2).

Read Johnny's article here:

Wow. Letting the Spirit teach you and confirm what he gives is certainly an exciting method which is never boring.

Laurence
