Some Ancient Israeli Facts

David

Is this how you
imagine David?

Did You Know?

David was a strong young man when he killed Goliath

David told Saul, “Your servant has been a shepherd for his father. When a lion or bear came and took a lamb from the flock, I would go out after it, strike it down, and rescue the lamb from its mouth. Then when it rose up against me, I would grab it by its beard, strike it down, and kill it. Your servant has struck down both lions and bears...

Did You Know?

He wasn't a skinny young man when he killed Goliath

Saul put his garments on David, set a bronze helmet on his head, and put armor on him. David strapped Saul's sword over his garments and tried to walk, but he was not used to the armor. David told Saul, "I can't walk in these because I'm not used to them," and then took them off.

Moses

Challenge

Is this
how you
imagine
Moses?

Moses was an Egyptian General

When Moses killed the Egyptian and fled at age eighteen and became a part of Kikianus' camp, Cush was controlled by Egypt from Memphis. When Moses became strong enough, the southern Fifth Dynasty kingdom seceded from Egypt. So from the point of view of Memphis, Moses spent forty years under their control and forty years in the wilderness outside their control. However, from the point of view of Elephantine, Moses spent eighteen years with Egypt and ten in their army, thirty-nine years as their king, and thirteen years in the wilderness.

Moses was an Egyptian General

“Jasher 76 and Josephus Ant. 2.10 describe Moses leading an army against the Ethiopians at Elephantine under King Kikianus. The same year that Moses fled Memphis, King Kikianus defeated the uprising of Aram and the Kedemites. Upon his return, Kikianus discovered that the city of Elephantine had been taken over by Balaam and his sons. Kikianus besieged the city for nine years. He then died of a disease in 2395 AM. Moses delivered the city and ruled it for thirty-nine years. The city was then turned over to Menacrus, the son of King Kikianus in 2434 AM.”

Why was Abraham a worshipper of Jehovah?

Abraham was born in the city of Ur in 1948 AM. In that same year, Nimrod took control and founded what would later be called the Babylonian Empire. Abraham's father, Terah, was a great warrior and became one of Nimrod's generals. Because of a prophecy that a descendant of Abraham would kill Nimrod, Nimrod sought Abraham's life. Terah secretly hid Abraham until he was ten years old. Terah then sent Abraham to live with Noah and Shem and learn about the one true God at Shem's school.

(ctd.)

Jasher 9:5-6 states Abraham was in Noah's house for thirty-nine years (1958-1997AM). Abraham returned to Terah's house just four years after the fall of the Tower of Babel. Jasher continues saying not only Abraham, but also his grandson Jacob studied at the school (Jasher 28).

There's so much we don't know

“Ancient Post-Flood History”

Israel

Israel's 430-year sojourn

- 400-year Prophecy – Strangers (Genesis 15:13)
- 430-year Recorded – Sojourn (Exodus 12:40-41)
- 430-year Referenced – Sojourn (Galatians 3:17)
- Concluded: Exodus – The exact day (Exodus 12:40-41)

How do we reconcile these dates?

“And the sojourning of the children of Israel, while they sojourned in the land of Egypt and **the land of Canaan**, was four hundred and thirty years. And it came to pass after the four hundred and thirty years, all the forces of the Lord came forth out of the land of Egypt by night.”

(Exodus 12:40-41 LXX)

Jasher dates Israel's migration to Egypt to the year 2238 AM and the Exodus at 2448 AM.

These dates divide the four hundred and thirty years as follows: the sojourn in Egypt two hundred and ten years, and the time spent in Canaan, two hundred and twenty years. This equals the four hundred and thirty years found in Galatians 3:17.

CONCLUSION:

**The Jews referenced
more records than the OT**

So why are we stuck there????

Canaan Conquest

Reasons for Canaan genocide

Is Jehovah an
'insensitive God'?

Here's the reason for the cleansing

The wars of conquest under Moses and Joshua were supposed to cleanse the land of a competing divine bloodline and install Yahweh's own children, his inheritance, into the place he had allotted for them. Yahweh's rule on earth was to be reconstituted in Canaan.

'*kherem*' – Holy War

Wherever they are found, the bloodlines of the **giant clans** – descendants of the Nephilim – are to be eradicated.

Why '*kherem*'

In the view of the biblical writers, Israel is at war with enemies spawned by rival divine beings. The Nephilim bloodlines were not like the peoples of the disinherited nations. Genesis 10 clearly casts the human inhabitants of those nations as owing their existence to Yahweh, as they descended from Noah's sons and, therefore, Noah—all the way back to Adam, Yahweh's first human son.

Why '*kherem*'

The Nephilim bloodlines had a different pedigree. They were produced by other divine beings. They did not belong to Yahweh, and he therefore had no interest in claiming them. Coexistence was not possible with the spawn of other gods.

They were a counterfeit.
Satan's attempt to have an inheritance

Not Total Genocide

The point...is not that Israelites took only the lives of the remnant of the giant clans...If Numbers 13:28-29 is to be believed, the **Anakim** were scattered throughout the land of Canaan. Joshua 11:21-23 makes it clear that these were the peoples targeted for complete elimination, not every last Canaanite.
