

Are you Preparing For What's Coming

The Lord downloaded into my spirit a message to proclaim to those who talk Kingdom-talk:

"Are you preparing yourself and your family, physically and spiritually for what's coming?"

Knowing that we are in the Last Days should stir us up to focus on the King and what he wants us to do.

Jesus said that His return would be like the Days of Noah where they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, and did not know until the flood came and took them all away.¹

Are you still living life as if nothing is going to happen?

Are you being lazy because you don't think he'll come in your lifetime?

Here are some current background events that should help focus you on the time and the season.

1. There are 4 blood moons occurring in the next 12 months, including a total eclipse of the sun. The blood moons occur on Jewish feast days and are a heavenly sign – a warning of impending danger. The first one is this month (April 2014). See "Just a matter of time: End of history upon us?"²
2. The war in Syria is considered by the Muslims fighting there are a prelude to the appearance of their messiah, the Mahdi. See "Islamists gather to fight Muhammad's promised Armageddon"³
3. There is an imminent world economic crisis that will result from the planned collapse of the US dollar. See "Russia Threatens Complete Crash for the Financial System of the United States"⁴ and "Putin Flushes the US dollar"⁵.
