

'Convergence' - A Kingdom Evidence!

By Clay Sikes

[OpenHeaven.com Digest June 12, 2014]

An invisible Kingdom is arising in His own; as the kingdoms of darkness take note of the hour. An eruption is happening, the likes of which the world has never seen. Soon, and very soon, these points of light will 'converge' making the light brighter – the true Body joining and connecting, such that function and purpose are released in the earth. The Body, connected to the Head, functioning as the Bride; an evidence of the Kingdom on earth as it is in heaven.

The Lord is birthing a 'convergence' of His people, as all types – young, old, mature, immature, all five folds of ministry, all denominations, cultures, races, and nationalities are joining and connecting. Those who are flowing into this "converging flow" do so without prejudice, preconceived notions, or stout traditions – just love!

God is amassing the most awesome assembly in the history of the world, as the Body is taking shape right before our very eyes! Those who resist the tug in their heart, based upon 'limiting conditions' such as limiting associations to ONLY those who look, act, and think like them, will find that the cloud has moved and they 'didn't'! How sad, but very very true today.

Awaken to the converging – the bringing together of individual parts 'called' to be connected. Those who realize 'connection' is a precondition to God-appointed purpose are searching the horizon and listening to the call (to connect). Those in the initial flow of this pattern of 'convergence' are those whose primary life-purpose, at the expense of all else, is serving the Father. Their love overshadows any differences with others, as they look for something to agree upon rather than disagree as is so common in Christian circles. Watch as God's Love launches an invasion on planet earth!
