“Trump shall become My trumpet to the American people, for he possesses qualities that are even hard to find in My people these days. Trump does not fear man nor will he allow deception and lies to go unnoticed. I am going to use him to expose darkness and perversion in America like never before, but you must understand that he is like a bull in a china closet. Many will want to throw him away because he will disturb their sense of peace and tranquility, but you must listen through the bantering to discover the truth that I will speak through him. I will use the wealth that I have given him to expose and launch investigations searching for the truth. Just as I raised up Cyrus to fulfill My purposes and plans, so have I raised up Trump to fulfill my purposes and plans prior to the 2016 election. You must listen to the trumpet very closely for he will sound the alarm and many will be blessed because of his compassion and mercy. Though many see the outward pride and arrogance, I have given him the tender heart of a father that wants to lend a helping hand to the poor and the needy, to the foreigner and the stranger.”

“A few years ago my friend Kim Clement¹ spoke of Donald Trump being a trumpet. Kim mentioned **May** and **October** as being significant months in a movement that nobody saw coming.

*"The Spirit of God says, I will move in a very unusual manner. For this Nation is being mocked. Third world countries are mocking you. Ungodly nations are mocking you. But God said, not the forces of hell, for they are hearing sounds of fire and resurrection that are emerging from the four corners of this Nation. Some would say, you are forgotten, but I have told you **there will be an invasion of the news media. Instruments that once mocked Me will be instruments that now raise Me up, says the Lord.**"*

*"And **in the month of May and October...**I will grant an unusual amount of favor not only to the Church but into this Nation for the rain shall come upon the just and the unjust. **For suddenly there will be a rapidity, there will be a movement that shall happen so quickly that they shall say, we did give not bring birth or give birth to this.**" "*

“Kim went on:

*"Time Magazine will have no choice but to say what I want them to say. Newsweek, what I want to say. The View, what I want to say. **Trump shall become a trumpet, says the Lord!**" "*
