

# Our Species is Being Weighed

In the first part of 2016 our Community received prophetic messages which had the following components in them:

*"This is the time to move. As I said, I am weighing things in the balance now to determine what's happening with peoples and nations and individuals, so it's good that you ask."*<sup>1</sup>

*"This is a critical time – a pivotal time – that could/will<sup>2</sup> change the states of nations. I am weighing things in the balance now before I move to the next phase of my return. As I see things, I will lead people and nations down various paths to their future. Some will be 'good' and some will be 'bad'. It has been their choices that has determined their paths, but it is my overall picture of what is occurring/happening<sup>3</sup> that will set the end-time course for many in a set path. Many will object. Many will blame me. But, tell them this, "It has always been about their decisions". They have determined their paths by the choices they made. They have determined their future and their destinies by the choices they made in the past. Every choice builds to make the picture of their future, whether it's person or a nation. It's always been in their hands, never mine. I have given humanity the privilege of self-will and the position of rulers of this world. They have abdicated it to the enemy and to others, blaming not themselves, [but]<sup>4</sup> blaming others for the predicaments that they find themselves in. I reiterate: it has always been the choices that men make because I have set them in rulership, even if they don't know it."*<sup>5</sup>

On the 15<sup>th</sup> April 2016 a number of us went to a conference in Hoskinstown, near Captain's Flat, NSW. Ian Clayton<sup>6</sup>, the conference speaker, made the following statements while we were there:

*"I am very aware that the hearts of us as a species are being weighed by Yahweh to see whether we are in a place to receive the measure of the unlocking of the realm that Yahweh wants to give to us. I'm aware that there's an angel called Justice that carries 2 big scales – it carries a sword in one hand and these 2 scales in the other hand – and your hearts are being weighed...I think that as a species, Yahweh is trying to engage with us in the full measure of what we've been bought into, but we don't have a framework yet, for what he is doing. So the only way to build a framework is to undo the framework we've been cultured into so we can begin to build a completely different framework...The old system has got to be taken down, then out of what was the disassembly of the old system, a new system's got to be built."*<sup>7</sup>

*"There are 3 kings from Salem who are walking around the Earth assessing us."*<sup>8</sup>

What's actually happening now is that God is preparing to do a major thing in the church and in the world. As his complete revelation to the Earth gradually unfolds, things are progressing and things are changing. This next move will be completely out of the box for us. We have no theology about what he's going to do and no one knows anything about it yet.

What that means for our Community is quite major.

1. We thought we were just coming out of the religious system because our Bridegroom King is preparing his Bride. This is only part of it.
2. The church as we have known it will no longer exist.
3. The old church system is to be dismantled and 're-primed' into a new church.
4. We are being prepared for a major change in the Earth which we know nothing about.

Our King has also been saying these important things to us:

*"Look to me and to me only. I am the source...Like a child, I can only teach you so much. I can only tell you what you need to know, so follow through on that. So work on this right now. I will tell you more in the future. As you ask me, I am happy to pass on my mind to you. But be careful, I will not tell you everything. Faith must rise up. You must walk in faith. Step out, and in faith, trust me."*<sup>9</sup>

*"Keep your eye on me. Don't look for dates, don't look at numbers. Focus on me. It's all about me. I am the key to End Times. Focus on me and I'll keep you updated and totally informed as appropriate for you...Listen: listen with your spirit and listen clearly. Harken to my voice, harken. When I speak: act. When I call: come. When I deploy: go. It's simple really. I will be in charge: I am the commander."*<sup>10</sup>

*"Return to me, that is the most important thing to do right now."*<sup>11</sup>

The church has been praying for revival for all of this century so far, but nothing has happened. What is coming instead is a revolution, not a revival. However, out of the revolution will spring revival.

All this should make us excited to see what is going to happen.

**IMPORTANT: Has the fact that you are being weighed and assessed had any impact on you? Or is it business as usual?**
