### **CASE ANALYSIS**

#### Genesis 12:3-4

I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you." So Abram went, as the Lord had told him; and Lot went with him. Abram was seventy-five years old when he set out from Harran.

#### Romans 4:13-17

It was not through the law that Abraham and his offspring received the promise that he would be heir of the world, but through the righteousness that comes by faith. For if those who depend on the law are heirs, faith means nothing and the promise is worthless, because the law brings wrath. And where there is no law there is no transgression. Therefore, the promise comes by faith, so that it may be by grace and may be guaranteed to all Abraham's offspring—not only to those who are of the law but also to those who have the faith of Abraham. He is the father of us all. As it is written: "I have made you a father of many nations". He is our father in the sight of God, in whom he believed—the God who gives life to the dead and calls into being things that were not.

1. List the blessings that God's promise would provide for Abram (Abraham).

- 2. How would you describe Abraham's faith?
- 3. What blessings will <u>you</u> receive in <u>your</u> present context through what Jesus accomplished on the cross?
