

J's Prophetic Revelation 23-10-2016

A trusted, Spirit-filled man¹ in our Kingdom Community received this download as a revelation on 23/10/2016.

This is a message for everyone who want to move forward and grow in the Kingdom as it is Father's great desire to give the keys and unlock the mysteries of the Kingdom.²

“Father says....

There is a discernment in you to know where your warfare lies. There is a discernment in you that identifies the pollution and contamination of the enemy that impedes My people, and has impeded you from moving forward at times in My plans, purposes and pursuits. Get your eyes off of the past, and turn your attention upon the promise that is inherent in your NOW season. My promise in your life is a NOW promise. My promise in your life brings cleansing and new beginning. Are you ready to begin anew? Then forswear the backward glance and open your eyes to the door that I have placed in front of you this day.

I call you up into the watchtower of My city. You are one that will see and know and identify the assault of the enemy before it comes.
