

# MESSAGE: Declaring for Australia

*(King's Counsel on 12-6-2017)*

**Question:** Lord, how should we declare and pray for Australia?

## Message #1

If you want to see changes in your nation. You must be prepared to wait and allow me to give you what you are to declare or to pray for Australia. It is no use just declaring whatever comes into your mind or praying things that you think you should pray for. Declaration and prayer are about aligning with Heaven and allowing Heaven to work through your voice to see things happen.

So for your nation, why not try asking me what you should declare? Why not ask me what you should pray for your nation? After all, am I not the King of Kings, the Ruler of this planet, the King of this nation,<sup>1</sup> above and beyond the earthly queen?

Prayer and declaration is a spiritual matter, not a soulish matter, not a matter for the mind and the emotions. It is actually serious Kingdom business. And like an accountant and a financier have to go to university and train to understand the ins and outs and the finer points of finances and money, so to be effective for this nation you need to study under me, so that I can show you how to declare and how to pray for your nation, because the finer points matter. It's not just 'ticking the box' because you've said something or prayed something and feel good about yourself. The finer points on the spiritual side of things are absolutely critical if you want to see things move in this nation.

It is not that I don't want to move, it's just that it needs to be done properly. I have been telling you to partner with me, and when you go off by yourself and say whatever comes into your mind or whatever you think, you're actually not partnering with me – you're actually working against me. Didn't I say you're either for me or against me? And if you are not for me, then you must be against me. If you work in a different direction to me, then you're actually working against me – it's pretty plain, it's pretty simple.

So for your nation, I know your heart is for your nation, as mine is. Align with me and allow me to show you what to declare and what to pray, then you will see things change. That sword that is to come out of your mouth is my sword, not yours. It's not your words, they are to be my words. The Word of the Lord will come through you only if I give it to you, spirit to spirit, and you speak it with my authority.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic
