

# MESSAGE: How to Declare

*(King's Counsel on 12-6-2017)*

**Question:** Lord, you have been leading us into the area of declaration for some time now, to speak things into being. What is your mind on this direction you are taking us?

This is the fullness of Sonship. This is what I have been waiting for for such a long time. I have been waiting for my sons to mature, to get to the point where they can fulfil the function that I created them for, to represent me on this planet. I have the capacity to call things into being, I have the capacity to declare and to decree, and this is a function that my sons have. They are part of the household of the Kingdom of God, and that is their right. But they have to grow and move up into this area, they have to move past their 'flesh', they have to move past fear, they have to move past the religious things that would come against them and cause them to stumble.

It has not been for quite some time that members of my family have been in a position to be able to decree and declare. My heart warms that this is coming to pass. I have put special effort into this current generation, to see declaration become a norm. But I want you to take it and I want you to move forward with it as I show you. It is not just for your own benefit, nor to show off or to promote Christianity or the church or any religious denomination.

When you decree or declare as I have shown you, you are doing it for me, as if I were saying it. You are representing me, and it has to be done properly. Don't listen to your soul, listen to my Spirit. Don't allow soulishness to creep in so that you declare and decree things which I have not ordained. My true sons listen and speak what I give them, and this is where I want you to develop, I want you to focus on this.

Practise, if you must. Practise listening to my Spirit and allowing me to give you things to declare and to decree. But bear in mind that I don't do this just 'willy-nilly', there are purposes why decreeing and declaring has to take place. You can't just conjure it up, as it were, and make it happen just like magic. It's not, this is 'ridgy-didge'. This is the real thing. This is what I did in the creation of the physical realm. I spoke things into being. And this I can just really warm to, seeing my sons speaking as I did. I am really enjoying the moment as my sons grow and develop and practise.

So my advice, which you have asked for, yes, I am releasing you into declaration. Advisedly, I am releasing you into decreeing. But in both cases, be careful that it is from me, not from your soul. Enjoy this. Do not let others put you off and tell you that you are out of line or a heretic or whatever they might throw against you. If I have called you and I have given you something to speak, then speak it. The force of the Kingdom of Heaven is behind you. We are rooting for you, we are basically cheering like crowds at the end of a race, for you to move into this method. The saints around me are jumping up and down and cheering as this is taking place.

Enjoy this time. In faith, step out and move forward. This is your time. There has been no time like it since the time of the Old Testament prophets, since the time that I walked this planet.

This is wonderful.

## Message #2

I will show you the decree, the decree of your mouths, the sword which will come out, which will not only chop through a single chain, but will chop through the chains that bind nations. The decree that will pull down the strongholds, that will fight the battles, that will summon the things of the Kingdom, that will bring you help. The sword that you have heard about, this sword will come forth from your mouth. The sword that you have heard about, that cuts through bone and marrow, cuts through physical and spiritual: this sword. You have spent much time placing my Word into your spirit, this sword comes out, and this sword is the Word that you will speak, that you will take into battle.<sup>1</sup>

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
