

# MESSAGE: Praying for Nations

*(King's Counsel on 12-6-2017)*

**Question:** Lord, how should we pray and declare for other nations?

## Message

Each nation is responsible for themselves. I deal with nations, not just individuals, and it is a concept that most of my children do not understand. Each nation is sovereign to me, and it is the responsibility of the citizens of a nation to look to the interests, the spiritual growth and development, the spiritual standing of their own nation. This is a concept that is very important, a spiritual concept.

It is important that you spend your time and your energy for your nation. This is critical. It is the weight of the citizens that determines the direction your nation goes, not the physical weight but the spiritual weight. What they have declared, what they have prayed, their spiritual standing, all these things fit into a formula that I have that determines the direction a nation travels, progresses to, or declines.

It is an unusual concept, but like each family being responsible for themselves, with the husband at the head, so each nation under my headship is responsible for themselves. If you wish to impact a nation, the most important thing you can do is to encourage the citizens there to move forward and stop relying on overseas believers – for them to rise up, for them to pour their energy into their [own] nation. Then they will see things happen.

This is the way I work. This is a spiritual principle, a principle that every nation must understand.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
