

How We Are to Work to See the Spirit Released in Australia

On the 6th March 2016 CCOP asked the Lord the following question to get his counsel: ***“Lord, putting aside the prophecies that have been given for Australia being ‘The Great South Land of the Holy Spirit’, tell us how you want us to operate in connection with you to see your Spirit move in this land. What is it that you are wanting to release here?”***

In addition it was also asked (in summary): ***“Lord as you are in charge of all the Ages and you seek to have everything fulfilled your way, how shall this operate in Australia so that it fills the broader spectrum of what you have? How do you want it to happen? Where shall we be? How do we stand in your counsel? How do we put ourselves in a place where we do hear your counsel and not just a revamping of what’s been said?”***

This was his response, transcribed from a smart phone recording:

““What is my counsel?”, you ask. What is my counsel? I’ve been here and I’ve been waiting. I’ve been offering my counsel to all and sundry, all those who would hear, to have ears to hear and a voice to speak for me. I’ve been waiting and waiting and waiting. So hear this: I am wanting those who will trumpet loud and clear my messages to the people. I’m wanting to see a move of my Spirit across this nation. That is my heart’s desire. Whether or not it will happen will depend on the people.

I’ve said that the Spirit will move in this land, and hit it like a tsunami, and that is the case. But there are things that need to fall into place first, and I believe/understand that’s what you are asking. How do we fit in with you? So this is my request.

Join in me in what I am doing. Attach yourself to me like a bondservant and commit yourself to seeing my will done in this nation. Align yourself with me so that my will, Father’s will, is being done and not your own. Put aside your own ideas and your own thoughts and your own plans and your own purposes and your own heart’s desires, and allow me to pour into you my heart’s desires.

If you want to see this nation grow and develop, and reach its potential and to reach its destiny, if you want to see the Spirit released, then harmony must be in this place. Now, harmony, is harmony with me. This nation must come, the saints¹ must come, my children must come to me and want to work with me – co-labour with me in this nation. This will create a tipping-point for me to start releasing what I want to release. And I do, I honestly do want to see my Spirit wiping away the dross from this nation and bringing vitality, and vim and vigour. But there is darkness, there is deceit, there are lies, there is fornication, there is bigamy. There are all sorts of things going on which are working against my plans. So co-labour with me. Seek me, I am here to counsel with you 24/7. You only have to ask and have ears to hear and a heart to want to receive from me what I have to say.

This is the time for you to rise up. It is a pregnant time – I’ve been waiting. This rise could have happened years ago – it hasn’t because things are not in place. And they’re still not in place now. Don’t look at the Mardi Gras and the things that are going on and say, “It’s too late” – it’s never too late. Your only responsibility is to do what my Spirit shows you. And if you’re not connected properly with me you won’t hear what the Spirit is saying because the ‘noise’² in the background and the ‘noise’ from your mind and your heart will override what my Spirit is saying. So this is why I want you to co-labour; and in co-labouring you are coming to me and asking what you need to do. Not just going about your business day-to-day, waiting for me to just drop something here and drop something there. That’s not co-labouring, that’s laziness.

This nation has to rise up. It just has to. This is an important nation. Of the free-world, this is an important nation.

1 – Believers

2 – The distractions in the mind from the things of the world, of religion and of belief systems that drown out what is being heard spiritually.

There is wealth under the ground for you, to pay for the things that need to be paid for: the constructions, and the developments and the infrastructure. I have placed them there for you and I will show you where they are. Co-labour with me and you will find them. Otherwise it will be just something here and something there and it'll stretch out and it'll stretch out in time and things will go beyond what I really desire to happen.

This is the time to move. As I said, I am weighing things in the balance now to determine what's happening with peoples and nations and individuals, so it's good that you ask.

Hear me, and as I say, always hear me well, because you can hear and not receive. Like teaching requires learning: Hearing requires it to go into your spirit.

*So my word to you is, "**co-labour with me**". Be my hands, work with me. Align yourself with me and then I will show you the things that are to come – the things that I want to do, the things that will happen in this nation. But until you have the right attitude and the right heart to come alongside me and work with me, there's no point in showing you. It'll be just boastfulness from you, it will be something that will elevate you in pride, or it will be something that makes you more distinct from other people because you've heard a word from me. But that's not what I want. I want my children in this nation to work with me. This is the Kingdom and Father's will needs to be done.*

That's it, that's for now. There's more to come. But let's take the step forward and I'll release the rest to you at a later time. That may sound strange to you, but it's part of my parenting of you. I release what you need to know now, and the rest will come in due course."
