

MESSAGES: Prophetic Overhaul 2-5-2016

(Transcribed from a smart phone recording from the CCOP meeting on 2nd May 2016)

Question

“Lord, we have heard that you want to make changes to the prophetic movement at this time. What is it that you want us to know about your desire in this area?”

Message #1

“I desire to bring my people and the nations under the umbrella of my word, the word that proceeds from my throne. And the word I desire, is ‘accuracy’. I desire an accurate rendition of what I am saying, what my heart is, and what I send forth to be proclaimed to the world. It is not good enough to only hear half and present half. It is not good enough to hear and ‘mixture’ it with the thoughts of the heart and the mind and the soul. No longer is it any good! This type of half-heartedness must cease. ‘The voice from the throne’ must be the pinnacle that is aimed for in all prophetic areas, in all prophetic movements, in all [prophetic] schools, and churches where prophecy is in action.

In these days my people must hear what I am saying, ‘cause time is accelerating, things are progressing at a faster rate and there is no time to lose. They must hear now. They do not have time for centuries for a word to sink in. They need to know the ‘now word’: what is going on now; what my heart is now; what my desire is now; what they need to do now; what they need to know right now. Only the accurate prophet, only the accurate prophetic word can bring this.

I am weeding out those that only half do the job. I do not like mixture, and by the same token, I do not like my word being cut short or polluted. I will not stand for it. From this day forward it shall no longer be appropriate and it will not receive my blessing, and it will not receive my unction to produce it. I am withdrawing my prophetic mantle from some, and I’m releasing it to others so that my chosen prophets will speak for me now. It will no longer be those who have the gift of prophecy who will rise up to speak for me. It’ll be those who I identify, those who I point out, those who have my heart and have been chosen by me.

Look for them. They are there, and they will continue to appear. These will be humble people, ‘nobodies’ who have given themselves totally to me. They have not reconciled what I have to say with what executives and leadership want the people to hear. They will only speak what I give them. They are my sheep. They are not sheep in wolves’ clothing. They are not fakes. These are my trusted ones, hear them, and hear me. Fear them, or the word that they give because they will speak directly from my throne and it will be accurate.

Cast off those words that you hear that don’t align with me. Learn to hear my voice yourself and know it, so that when somebody speaks, you can say, “Ahaa. That is the Master’s voice”. It is everyone’s responsibility to be at that level at least. No time for dilly-dallying, no time for wasting. You must hear from me, from my throne.

This is the movement that I am developing in these Last Days. These are my vanguard, those who will go out into the marketplace, into the nations, and speak my word like Jeremiah did, and like Elijah did. My strong ones. Hear them. Honour them. Respect them. They have no status, but they are mine, and you will know they are mine by what they say.

This is my declaration to you that I will move this way from this day forward.”

Message #2

“‘Dearly loved ones’ is whom I really want. People who will flow with me, who will not be afraid to say what I say. Who will not be reticent about what I’m doing, but will go in different ways to speak, to communicate, what I want to say to nations, to people. So that there is a freshness and a life in the words that are spoken, in the deeds that are done, so that it washes away the reproach, it washes away impurity, so that the people, as they hear it, become united with me and are left as one heart and one spirit with me, and with one another. People who will not look at the immediate and what effect it may or may not have. But rather a people who will carry the burdens with one another. People who can look beyond their own resources and give gladly.

These are the ones that I want now, to transform the nations, to transform lives to be my spoken heart. Strong, courageous, gentle, able to bear, not shrinking, but seeing the beauty that I will give in all levels, and pursuing regardless of what it costs them, and of what might be or might not be. But rather, being held by me so that I can take the people and what is spoken to many, many other places, so that it has my creative power and persistence and understanding.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
