PART 2 of 2

What Keeps the Church in Religion?

There were two trees in the Garden of Eden

Tree of Life

Tree of the Knowledge of
Good & Evil

**Believers 'feed' from either one of
these trees**

The Tree of the Knowledge of Good & Evil:

- This produces a focus on right and wrong.
- It works out of the mind with reason and logic.
- It's interested in facts and proofs.
- It brings **spiritual 'DEATH'**

The Tree of the Knowledge of Good & Evil:

Science, atheism, religion & legalism get
their 'food' from this tree

The Tree of Life:

- This produces a focus on the things of Heaven. (Not about where we go when we die)
- It works out of the spirit with *agapē* and submission to God.
- It's interested in living life abundantly.
- It brings **spiritual LIFE**

The Tree of Life:

Things of the Spirit and the Kingdom
'feed' off this tree

We may come into the Kingdom through
the vehicle of the **Tree of the
Knowledge of Good & Evil** – like Paul
reasoning with the religious and
legalists

(Acts 19:8-9)

BUT, once in the Kingdom, we are to
live off the **Tree of Life** which
produces Father's life in us

**“It's the Spirit who gives life;
the flesh accomplishes nothing.
The [*rhema*] that I've spoken to
you are spirit and life.”**

John 6:63 (ISV)

**What's Our King Done
About Religion?**

Great grace has abounded:

For 2,000 years God has been gracious to his people and allowed them to operate in religion which he did not initiate.

Great grace has abounded:

He has not destroyed the church for not aligning with his plans, but with **grace** he has gently changed it when his people were receptive.

Changes over time:

Through numerous movements over the past 400 years God has gradually been restoring what was lost when the church became a religion in the 2nd century.

Changes over time:

There have always been pockets of unpolluted believers, but the mainstream churches rejected or persecuted them.

What's been restored?

- Justification by faith
- Bible study
- Intercession
- Holiness
- Outreach
- Baptism of the Spirit
- Miracles
- Worship
- Creativity
- Prophecy/prophets
- Apostles
- The Bridal paradigm
- The Kingdom
- Sonship

What's being restored today?

- The expiry of religion
- Freedom of the Spirit
- The mysteries of Heaven

Our King has been calling his people to come into alignment with him.

He's warning us like he warned believers in Jerusalem before it fell in 70AD.

His message is becoming more urgent.

Read:

**“Come Back, Church”
(CCOP)**

Our King has been calling his people out of the church system since the 1980's.

Currently, a small cohort of believers are being formed who are totally sold-out to him. They are termed '**remnant**'.

They are prepared to give everything up for him and to follow him wherever he takes them on special assignment.

He is training them by a process of transformation through trials and testing to become the “New Jerusalem”.

Their job is to rescue others and help them through their identical journey.

Kingdom Manifestations Outside of Religion

Religious activity such as the requirement for a healing meeting or a time of worship singing to **'make' God** do what we want is not needed for sons to impact people with the Kingdom's power.

We carry it with us and simply release it wherever we are.

My wife and I went for financial assistance and the agent said “No charge” for his consultation.

I paid him indirectly for his service by prophesying over him. He appreciated it.

Our mate 'J' was prompted by the Spirit to ring a friend in India.

He discovered his friend's hips were very bad. After declaring healing for him over the phone the friend got up and went about his business as he normally would.

This is a miracle baby born to friends of our son.

They spent years trying to have a baby using IVF.

After someone laid hands on both of them in the backyard and brought the Kingdom to bear on their conception

problem, they conceived almost immediately. The baby was carried to full term in a normal pregnancy.

hands on the sick
and they will recover”**

Concluding Points

There's a veil over believer's minds so that they can't see that religion is not what God set up.

It stops them seeing the reality of the Kingdom, just as the Jews were veiled.

2 Corinthians 3:13-16; 4:4; 1 John 2:11; Romans 11:7; John 12:40; Matthew 23:16-17

Every time a believer justifies what they do religiously they remain firmly entrenched in religion and not freed to the liberty that is ours

There's only so much time that can be spent trying to release believers from religion.

It's their choice to remain there and ultimately they're entirely responsible for themselves. If they don't respond, there are others who need their chains removed by the King of the Kingdom.

finally

**People don't want religion –
they've made that patently clear.**

**They are looking for real,
abundant life that their
whole being tells them is out
there somewhere.**

There's got to be more!

**That's life in the Kingdom
of God here on Earth.**

this too

**Father loves you so deeply he's
prepared to keep that LOVE
towards you STRONG, no
matter what mess you've made
of your life.**

He's continually drawing you to himself, even if you don't feel his love or want it.

**When you finally surrender to
him, he will then lovingly
divest you of all that is not of
him.**

**All your hurt & baggage he will
remove, one by one, until you
are totally FREE.**

**One of those baggages that you
carry is RELIGION**

& also

**Don't equate God's mercy, his
love for you, and his grace in
allowing you to use your free
will, with his approval of
where you are spiritually at the
moment**

**That includes any religion or
legalism that you're currently
involved in**
