

MESSAGE: Australia

(King's Counsel on 10-7-2017)

Question: Lord, what is your message for Australia today?

Message

Australia, I love you. I pour favour on you. I enjoy watching you grow and develop as a nation. A young nation, with not much history, but a great future. Do not look down on yourself as insignificant, because I am pouring into you the abilities to become great.

Look for opportunities everywhere, every day, around every corner, in the distance and nearby you. Keep searching because I am releasing to you, to the people of this nation, great things. Inspiration, revelation, inventions, principles, commerce, ideas, businesses. A whole range of things that will bring prosperity to this nation. Look for them. Grab hold of them and run with them under my oversight, and you will succeed.

I have great plans for this nation to impact the world. The other nations around you do not see you as great, but as you grab hold of what I have for you, you will rise up in greatness. They already speak of Australia with loftiness in their minds, compared to the past, but greater heights I will raise you to.

Don't be burdened down by the things that are not going right, that are not going well. Look to me. Grab hold of what I have for you. Align yourself with me and this nation will grow from strength to strength. It will be such a tremendous growth rate that it will be totally unexpected and the other nations will look on in awe and say "How can this be?" When circumstances are down, you will have the ability to rise up. When the circumstances are rising up, you will exceed all expectations.

This is what I have for you, Australia. I do not have evil in my intention. I do not have disaster in my intention, although I need to shake you and wake you and draw your attention to me. My heart for you is one of a Father's heart for his children – to see my children rise up and to be the best that they could ever be. And, Australia, I want you to be the very best.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
