

MESSAGE: Australia's Fascination with Fantasy

(King's Counsel on 9-10-2017)

Question: Lord, speak to us about our nation's fascination with magic in the form of fantasy and supernatural entertainment.

Message

Magic and the supernatural have always been a draw-card for those who don't worship me. Built inside each of you is a spirit, and your spirit is connecting with your body and your mind and your heart, letting you know that there is a spirit realm. What is happening in Australia and around the world with movies and books on things magical is basically the body [of] the person reaching out to what they know is real, because they have been told that the spirit realm is not real. Within them, their spirit is actually interacting with their minds, causing them to look for things in the spirit realm.

This fascination is basically a connection with the reality that they are part of. It is cock-eyed, it is the wrong spirit that they are seeking, but they have turned their hearts away from me and they can't hear from my Spirit, and so the spirit within them is looking elsewhere. This is a tell-tale sign of the spiritual bankruptcy that this nation is in, and I must say that my children have done nothing to rectify it. Even those who are what they call spirit-filled have not been reaching out and touching the nation, to draw them away from their atheism and their evolution and their scientism¹ and display the reality of my Kingdom.

I say to you tonight, this is the top priority of my children in this nation. Be filled with my Spirit and get out into the marketplace, in amongst the people, and demonstrate the power of my Kingdom. The desires that the people have for the things magical is a hint (actually it's more than a hint), it's a big loud speaker saying, "Show us the spirit realm". And so I'm commissioning you today, get out and demonstrate this spiritual realm, my Kingdom, to the people of this nation so that the hunger that's within them from their spirit can be satisfied. They will turn to my Kingdom, they will turn away from the things of darkness and they will be released, because that's the way they were meant to be.

That's the challenge for you. Don't just look at it² and 'tut tut' and think negative thoughts about where they're heading. Do something. I placed you on this planet to be the light, to demonstrate my Kingdom. So it's time, let's do it together.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
