

# MESSAGE: Getting Counsel on Same-Sex Marriage

*(King's Counsel on 11-9-2017)*

**Question:** How do we utilise the Courts of Heaven<sup>1</sup> in regards to the push of same-sex marriage and its attendant things? And, how can we influence the Courts of Heaven on this subject?

## Message #1

There is something brewing. There is something on the horizon, and Australia, it's coming your way. This same sex marriage issue is a smokescreen, this is not the real deal. Do not be put off by it, do not be disheartened by it, do not be side-tracked by it. My advice to you, as it has always been, is to find out what my mind is on every issue in your life, to stick close to me and to partner with me so that what I want done in this nation can be implemented through you. You are my workers here in this nation.

Yes, you can access the Courts of Heaven in this regard, but don't just focus on this issue. This is not the real issue. I will bring to your attention more on this in the future, but at the moment I want you to rest in me and allow me to teach you. You do not have to access the Courts of Heaven for absolutely everything that you see that is awry or wrong in your nation. It is important that my children, the church of Australia, becomes unified in their mind and their voice on all issues regarding the importance that I have for my Kingdom here in this nation.

There is righteousness and there is unrighteousness being carried out by the citizens of your nation. My people need to have my mind on these things. Their actions, their voice will do more than just a few people accessing the Courts of Heaven, because there is a tipping point in every nation where the populace in a particular mindset or a particular understanding gets to a certain point and the nation moves in that direction. It's a population dynamic that I have put in place, and this is why the silent majority needs to be silent no more. They need to speak, they need to know my heart, know my mind and speak wherever they are to people, and into the atmosphere, the things that ought to be.

When the numbers reach the tipping point, you will see changes in this nation. Yes, you can access the Courts of Heaven in this regard, but I am wanting to work through my citizens, my Aussie citizens, my children here, to see things done the way I set them up to be. And that is: my children bringing the light of righteousness into the world and into their nation.

This is a very important function that you have, and it's been lost. My children have pulled out of society and hidden away. I want them to influence their local communities and their nations and their cities for me.

I have all the answers. I have full knowledge of absolutely everything. Spend time lingering with me, sitting in my presence, asking for me to download to you exactly what it is that you need to know and exactly what it is that you need to do. This is my plan and this is my purpose.

There is this change coming which the same-sex marriage issue is only a part of. This is what you have to prepare yourself for. If we don't all work together in harmony on this – me and my children working together – the situation will be prolonged before there is a successful outcome.

You are free, you are welcome to come into the Courts of Heaven. You are welcome to come into my throne room and ask and to seek and to get advice and to get certificates to do things. But it's your day-to-day lives that are going to be the real game-changer in your nation. Focus on knowing my mind, focus on speaking my mind in your general conversation. Focus on implementing in your lives righteousness so that the tipping point is reached where there will be major changes. This is my call to you, this is my heart for you, this is where I want you to put your focus.

---

<sup>1</sup> – Simply put, the Courts of Heaven are a place in the spirit where you can petition the Lord on matters of concern for the nation and family life. It is where you can come into his presence as King and Judge and get release to take his action on matters for him. This is available to us as sons of the Most High God.

## Message #2

This is a time of testing for my people. I have been watching and I have been shaking. This is just another of the tests that I'm putting my people<sup>2</sup> through, that I'm putting my nation of Australia through. My laws of reaping and sowing are immutable, and Australia will reap what they have sown, both with righteousness and unrighteousness. Please see this same sex marriage debate as part of the tests that I am putting you through, because I am finding out what's in your heart. You are manifesting your heart, in your conversation, and in the way you will vote.

This is a test. I will put you through more tests as time goes on because this nation must rise up to be the 'sheep nation' that I desire it to be. But the 'temperature'<sup>3</sup> of this nation, so to speak, is the mindset of my children. They will determine the course of this nation.

It's a test, rise to the occasion and pass the test. That's very simple.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.

---

2 – i.e. Born-again followers of Jesus

3 – Colloquial for what's measured to gauge the level of something among people. e.g. 'hot' is right on; 'cold' is not there yet.
