

MESSAGE: Decree to Destroy

(King's Counsel on 10-7-2017)

Question: Lord, one of the biblical words for 'decree' means to 'cut', 'divide' & 'destroy'.¹ How does this type of decree relate to what we are to speak?

Message

Understand that the words you speak for me are powerful. My intention is to reverse the work of the enemy on this planet and upon my people. And my decrees in most cases are designed to break what he is doing and what he has done. I desire to see the restoration of all things, and it does my heart good to see my sons speaking for me, because this will roll back what the enemy has done. It will reverse, it will bring forth renovation to this planet, renovation to the people of the Earth, renovation to all things in eventuality.

So cutting and destroying is what the words will do. I remind you that my words that come from my mouth are like a sword, sharp, and they cut, and this is what your decrees will be. They will be words that will cut through the webs of deceit, the bondages that have been placed by the enemy on people's lives. It will cut through the evil and the darkness so that light can come through.

A word of warning: Don't speak your decrees with the wrong heart. Although my words will cut and destroy, do not speak them with arrogance or with a destructive attitude. Speak them with my heart, then they will be destructive to the works of the enemy. If you take the wrong attitude and the wrong heart, they will be ineffective and, in fact, you will be aligning with the enemy and empowering him because you will be using his tools and his ways.

You must decree what I give you and speak it forth as I would have you speak it. You will need to practise this because your hearts are not right to be able to speak for me yet. There is still dross there from your worldliness. But as you spend time with me and I cleanse you and you pick up my heart from being close to me, you will be able to speak and declare, and you will see things happen right before your eyes.

Yes, the decrees that cut and destroy are of great value and are strategic in the war that we are in. Strengthen the army, teach them to decree and declare. Teach them to have my heart and to speak what I give them. Much training is required because much accountability is attached to the decreeing and the declaring that you undertake. I give it as a warning, but I give it as to my sons, to train and to mature you.

Wield my sword wisely.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
