

MESSAGE: Fulfilment of Past Prophecies for Australia

(King's Counsel on 9-10-2017)

Question: Lord, will the prophecies spoken over this land in the past by mighty people of God, such as Smith Wigglesworth, be fulfilled?

Message #1

Keep your eyes focused on me. I am the Beginning and the End, everything comes from me. I am the one that's in control. If you set your heart on me, to delight me, so that your delight is in doing the work that I set you to do, you will take less notice of the things that were spoken in the past.

If my people are focused on past words and are working towards pushing the boundaries to make things happen, [instead] it is my desire for my people to work with me, hand in hand, in tandem, for the work that I have for them at this very moment in time.

It is good that words have been spoken from me over this nation, but these words are for the nation as a whole, and each person has a part to play, which is the reason I placed them here. That is the focus. What is your purpose in being alive? What is your destiny? Focus on these things. Focus on me and the plans that I have for you, and you will be surprised at the way things start to develop. And all of a sudden you will look back and you will think, "Hey, that's what was prophesied in the past, and it's come to pass".

While ever people look backwards, they fail to focus on what I'm doing and what I'm planning to do. This is a major fault in my children, they are backward-focused. Change the way you think. Repent. Turn around and face me and find out from me what I am wanting to do right now. Leave the prophetic words that have been spoken with me. Assent to them, raise them up to me and remind me of them, but keep your focus on 'the here and now', because many of my children have missed their destinies. Many are working off at tangents, trying to make things happen, trying to find their destiny, trying to find why they're here on Earth. But it's all in my plans and it's all in my mind. That's where you should be looking.

Message #2

In the past, I have given words to be spoken over this nation to change the 'atmosphere'¹, and these prophetic words are hanging there in the spirit realm, waiting for the time for them to be fulfilled. They will be fulfilled in the time that I allocate. My plans have these in mind because I gave the messages to be spoken – they will not be ignored. But until this nation reaches a place where I can release these words to be fulfilled, nothing can happen.

The prophetic words that I gave to the prophets in the Old Testament were for the people, but those words did not come to pass until circumstances were right. Some of those prophecies never came to pass because the Children of Israel never got into a place where I could release the fulfilment of it. Other prophecies I withdrew. Other prophecies I ceased because I saw the change in the hearts of the people.

There is no difference today. The words that have been spoken need the people to be in alignment with me to be fulfilled. I do not release plans and expect them to be fulfilled just because the people of this land want it that way. What I release is about drawing the nation to follow a path so it can automatically come to pass. This is an important principle that you all must understand. What I have spoken requires the people to be in alignment before I can release the fulfilment.

So, the words that were spoken by men such as Smith Wigglesworth are hanging there, as it were, waiting, waiting, waiting for you, Australia, to align with me. When your hearts are aligned, when your actions are aligned, when your speech is aligned, where there is enough weight in the number of people who are aligning with me, then I can release what I need to release, because many words have been

spoken and they won't all come at once.

This is why I keep telling you to align with me, because it's my plans that must come to fruition in this nation, not your plans or the plans that you expect. Align with me and you will see prophetic words spoken come to pass, I guarantee it.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
