

MESSAGE: How to Resist Unrighteousness

(King's Counsel on 14-8-2017)

Question: Lord, how do you want us to resist unrighteousness in our society?

Message #1

That's the question I've been waiting to hear. Thank you for asking it. This has troubled me deeply as I look at my children going all over the place, doing the things that come into their minds. Religious things, secular things, a whole range of ideas they have. But they haven't come to me and said, "What should I do?" I am pleased that the question has been asked.

I am the source. I am the source of all wisdom. I am the source of all knowledge. It is to me that you must continue to seek understanding in all areas of politics, of life in your nation, life in your families, life in your communities. All these areas, they are mine. I am the King. These are my property.

You are my sons and my servants working for me in these areas, and it's really about time that you asked me what's on my mind. It has caused me grief to see you moving in the directions that you have moved, and failing to move in other directions, like a buoy on the sea bobbing up and down, being blown by the wind and the waves and achieving absolutely nothing. And it's not going into days of prayer and fasting that I really want. I want relationship. I want you to connect with me. I want you to grow into me so that my mind becomes your mind. This is the ideal. This is what my heart is desiring. It is only in this place of unity with me, so that we think alike, that you will begin to make an impact on your nation.

With so many of my children going in different directions, there is a cancellation, so that virtually nothing is being achieved. Remember, I told you, "You are the light of the world"? You are to shine your light so that the darkness is dispelled. Get that picture. When you come into a room in the night, it's dark. When you turn the light on, that darkness disappears instantaneously. All you have to do is flick the switch and let the light shine.

My word for you, my answer to your question is: Let your light shine, live a life of righteousness. Do not adhere to unrighteousness. Do not support unrighteousness at any level, or any shape or form. This is how you allow the nation to see what is righteousness, as you move about your lives. There is no need to shout and declare and decree to everybody who comes near you what I have said. You go about your business living your life. When asked, you will explain, you will share your stance, and you will move on.

I am not looking to you to brow-beat others into submission. I am looking to you to be my representatives. Remember, you are my ambassadors, and an ambassador only speaks for the king. An ambassador never has their own thoughts, their own attitudes, their own desires, when they are in public. It's always what the king or the president or the prime minister has to say for a nation that they speak. Do that for me and you will achieve great things. Be my ambassadors.

Let love be the banner, the flag that you fly, so that others are drawn to you, and when they ask you questions, when they look at your life, they can see what you stand for. And when all my children, all my bond servants do this, there will be a mega-shift in your nation and in the other nations of the world when this happens.

It's in me that you will get the understanding of what you are to do. So grow into me, be my ambassadors and implement change, in love.

Message #2

Unrighteousness is an enemy. Do you know who holds the cloak of unrighteousness? It is the enemy, this darkness that is unrighteousness. It does not have the power that you think that it has. I can quite easily bring righteousness forward like a blizzard and cover the land, that you would not see unrighteousness any more. So do not think that this is a great weapon of the enemy. Do not think this is something that can dampen or wipe out righteousness.

Unrighteousness does not have the power that everybody thinks it has. It is linked to deception, it is a cloak of lies and deception by the enemy. I could bring a blizzard of righteousness, like a storm of snow, that would just cover the land and that darkness would be gone. So do not fear unrighteousness.¹

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
